

# V4 MIL/LEO GLOCK OPTIC MOUNTING PLATE - C&H PRECISION WEAPONS LEUPOLD DELTAPOINT PRO FOR GLOCK MOS MOUNTING PLATE BLACK

[Optics & Mounting](#) > [Electronic Sights](#) > [Mounting Hardware](#)

## A Dedicated Optic-Mounting Plate for Your Go-To Glock

C&H Precision has developed a dedicated optics-mounting plate designed for use on a range of MOS-ready Glock pistols, and these plates are designed for heavy duty use with a wide range of popular red-dot optics on the market. Each C&H Precision V4 MIL/LEO Optic Mounting Plate designed for use on Glock pistols is machined from 6061 aluminum and treated with a hard-anodized finish. The plates are equipped with two recoil posts, and all of the company's V4 plates come with replaceable T-posts made from stainless steel. Products marked RSF (Rear Sight Forward) feature a forward mounting rear sight built into the mount and are not compatible with the Trijicon SRO. The plates are secured with Torx head screws designed for the best possible retention.

## Attributes

- Name: [C&H PRECISION WEAPONS LEUPOLD DELTAPOINT PRO FOR GLOCK MOS MOUNTING PLATE BLACK](#)
- Manufacturer: [C&H PRECISION WEAPONS](#)
- Product no.: 100043489

# V4 MIL/LEO GLOCK OPTIC MOUNTING PLATE SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the C&H Precision V4 MIL/LEO Optic Mounting Plate for your Glock pistol. This guide provides essential safety instructions to ensure the safe use and installation of the product. Please read this document carefully before using the mounting plate.

## General Safety Guidelines

- **Product Safety:** This product is designed for safe use with Glock pistols. Ensure you follow all instructions to minimize risks during use.
- **Enhanced Recalls:** Stay informed about product recalls. If you receive a recall notice, follow the instructions provided to ensure your safety.
- **Online Shopping:** If purchased online, ensure the seller complies with safety regulations similar to those in physical stores.
- **Special Consumer Focus:** This product is not intended for use by children. Keep it out of reach of minors.
- **EU Contact Point:** For safety inquiries, please refer to the contact information provided by your retailer or manufacturer.
- **Rapid Alerts:** Be aware of any safety alerts regarding this product through the EU Safety Gate system.

## Specific Safety Precautions for Use

- **Read the Manual:** Always read the user manual before installation and use.
- **Check Compatibility:** Ensure the mounting plate is compatible with your Glock model (17, 19, 34, 35, 41, 40) and the Leupold DeltaPoint Pro optic.
- **Inspect Before Use:** Regularly inspect the mounting plate for any signs of wear or damage. Do not use if damaged.
- **Secure Installation:** Ensure that the mounting plate is securely installed to avoid accidents. Use the provided Torx head screws for proper retention.
- **Avoid Overtightening:** Do not overtighten screws, as this may cause damage to the mounting plate or the pistol.
- **Use in Safe Environment:** Always use the firearm in a safe and controlled environment. Follow all firearm safety protocols.

## Instructions for Installation and Usage

1. **Gather Tools:** Ensure you have the necessary tools, including a Torx screwdriver.
2. **Prepare the Pistol:** Ensure the Glock pistol is unloaded and pointed in a safe direction.
3. **Remove Existing Sight:** If applicable, remove the existing rear sight from the Glock.
4. **Align the Mounting Plate:** Position the C&H Precision V4 Optic Mounting Plate on the Glock slide. Ensure it aligns properly with the mounting points.
5. **Install Recoil Posts:** Insert the recoil posts into their designated holes on the mounting plate.
6. **Secure the Plate:** Use the Torx head screws to secure the mounting plate to the Glock. Tighten the screws evenly to ensure a secure fit.
7. **Attach the Optic:** Follow the manufacturer's instructions for attaching the Leupold DeltaPoint Pro to the mounting plate.
8. **Final Check:** Once installed, doublecheck that everything is secure and properly aligned before using the firearm.

## Disposal Instructions

- **Environmental Responsibility:** Dispose of the mounting plate responsibly. Follow local regulations for the disposal of aluminum and metal products.
- **Recycle When Possible:** If the mounting plate is no longer usable, consider recycling it to minimize environmental impact.

## Contact Information for Further Support

For any questions or concerns regarding the C&H Precision V4 MIL/LEO Optic Mounting Plate, please refer to the contact information provided by your retailer or the manufacturer.

Thank you for prioritizing safety while using your new optic mounting plate. Enjoy your shooting experience responsibly!
