

# HALOX SCOPE LEVEL - FLATLINE OPS HALOX 35MM SCOP LEVEL FDE

[Optics & Mounting](#) > [Optic Accessories](#) > [Scope Anti-Cant Devices](#)

The new Halo-X is a game changer. Originally designed for Leupold's Mark 5HD (U.S. Army PSR, M110 and MK22) military optic programs, this unique and precision engineered level is now available for civilian use. Machined from ultra-strong 7075-T6 aircraft aluminum, this is our lightest and strongest level. Weighing less than half an ounce, and only .3125" wide, it's our most minimal level for crowded scope tubes with extensive vegetation. Product Features: Vial-Bridge™ dual connection points and suspended bubble level with reflective platform, allows maximum light refraction for enhanced fluid illumination and sight acquisition in all outdoor and harsh conditions. Jaw-Bone™ barrel hinge for easy installation. Single top strap screw for ease of access. Ultra-light, high strength 7075-T6 aircraft aluminum. Type III hard anodizing for durability. Built for left or right handed shooters

# HALOX SCOPE LEVEL FLATLINE OPS HALOX 35MM SCOPE LEVEL FDE Safety Instructions

## Introduction

Thank you for choosing the HALOX SCOPE LEVEL FLATLINE OPS HALOX 35MM SCOPE LEVEL FDE. This product is designed to enhance your shooting experience by providing a reliable level for your optics. It is important to follow safety instructions to ensure the safe use of this product. This guide outlines essential safety guidelines, precautions, installation instructions, and disposal information.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Regularly inspect the scope level for any signs of damage or wear before each use.
- Keep the product out of reach of children and unauthorized users.
- Report any unsafe product conditions or accidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Avoid using the scope level in extreme weather conditions unless specified as safe.
- Do not modify or attempt to repair the scope level yourself.
- Always ensure that the scope level is securely attached to the scope before use.
- Be cautious when handling the scope level to prevent dropping it, which may cause damage.
- If the product shows signs of malfunction or damage, cease use immediately and contact a professional.

## Instructions for Installation and Usage

### Installation

#### 1. Prepare Your Equipment

- Ensure your firearm and scope are unloaded and safe to handle.
- Gather necessary tools, including a screwdriver for the top strap screw.

#### 2. Attach the Scope Level

- Locate the tube of your scope where the level will be mounted.
- Position the HALOX scope level on the scope tube, ensuring it aligns with your sight line.
- Use the JawBone™ barrel hinge to secure the level in place.
- Tighten the single top strap screw to ensure the level is firmly attached.

#### 3. Check Alignment

- Before using the firearm, check that the bubble level is centered.
- Adjust the position of the level if necessary to achieve proper alignment.

### Usage

- Always verify that the level is functioning correctly before taking aim.
- Use the VialBridge™ dual connection points to take full advantage of the reflective platform.
- Maintain awareness of your surroundings while using the scope level in outdoor settings.

## Disposal Instructions

- Dispose of the HALOX scope level in accordance with local regulations for electronic waste.
- Do not dispose of the product in regular household waste.
- If you are unsure about disposal methods, contact local waste management authorities for guidance.

## Contact Information for Further Support

For any inquiries or further assistance, please refer to the manufacturer's contact information available on the product packaging or website.

Thank you for your attention to these safety instructions. By following these guidelines, you can ensure a safe and enjoyable experience with your HALOX SCOPE LEVEL FLATLINE OPS HALOX 35MM SCOPE LEVEL FDE.
