

HALOX SCOPE LEVEL - FLATLINE OPS HALOX 35MM SCOPE LEVEL BLACK

[Optics & Mounting](#) > [Optic Accessories](#) > [Scope Anti-Cant Devices](#)

The new Halo-X is a game changer. Originally designed for Leupold's Mark 5HD (U.S. Army PSR, M110 and MK22) military optic programs, this unique and precision engineered level is now available for civilian use. Machined from ultra-strong 7075-T6 aircraft aluminum, this is our lightest and strongest level. Weighing less than half an ounce, and only .3125" wide, it's our most minimal level for crowded scope tubes with extensive vegetation. Product Features: Vial-Bridge™ dual connection points and suspended bubble level with reflective platform, allows maximum light refraction for enhanced fluid illumination and sight acquisition in all outdoor and harsh conditions. Jaw-Bone™ barrel hinge for easy installation. Single top strap screw for ease of access. Ultra-light, high strength 7075-T6 aircraft aluminum. Type III hard anodizing for durability Built for left or right handed shooters

HALOX SCOPE LEVEL FLATLINE OPS Safety Instruction Guide

Introduction

Thank you for purchasing the HALOX SCOPE LEVEL FLATLINE OPS. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your new product. Please read this manual carefully before use.

General Safety Guidelines

- Always ensure that the scope level is securely attached to your firearm before use.
- Regularly inspect the level for any signs of wear or damage. Do not use if damaged.
- Keep the product out of reach of children and unauthorized users.
- Use the scope level only for its intended purpose as specified in this manual.
- Follow all local laws and regulations regarding firearm accessories.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before installing or adjusting the scope level.
- Avoid using the scope level in extreme weather conditions that may affect its performance.
- Be aware of your surroundings and ensure a clear line of sight when using the scope level.
- Do not modify the scope level in any way, as this may compromise its safety and functionality.
- If you experience any issues while using the scope level, cease use immediately and consult a professional.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded.
- Locate the designated mounting area on the scope tube.
- Use the JawBone™ barrel hinge to position the scope level securely.
- Tighten the single top strap screw to ensure a firm attachment.
- Check that the vial is level before proceeding.

2. Usage:

- Look through the scope and align the crosshairs with your target.
- Observe the bubble level; it should be centered for accurate shooting.
- Make any necessary adjustments to your position to ensure the bubble remains centered.
- After use, remove the scope level and store it in a safe place.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste. Instead, take it to a designated recycling center.
- Ensure that any components that may pose a risk to the environment are disposed of safely.

Contact Information for Further Support

For any safety inquiries, product support, or to report unsafe products, please contact your local EU consumer

safety authority or visit the EU Safety Gate platform for updates on recalls and safety alerts.

Thank you for prioritizing safety while using the HALOX SCOPE LEVEL FLATLINE OPS. Your adherence to these guidelines will help ensure a safe and enjoyable experience.
