

# HALOX SCOPE LEVEL - FLATLINE OPS HALOX 34MM SCOPE LEVEL BLACK

[Optics & Mounting](#) > [Optic Accessories](#) > [Scope Anti-Cant Devices](#)

The new Halo-X is a game changer. Originally designed for Leupold's Mark 5HD (U.S. Army PSR, M110 and MK22) military optic programs, this unique and precision engineered level is now available for civilian use. Machined from ultra-strong 7075-T6 aircraft aluminum, this is our lightest and strongest level. Weighing less than half an ounce, and only .3125" wide, it's our most minimal level for crowded scope tubes with extensive vegetation. Product Features: Vial-Bridge™ dual connection points and suspended bubble level with reflective platform, allows maximum light refraction for enhanced fluid illumination and sight acquisition in all outdoor and harsh conditions. Jaw-Bone™ barrel hinge for easy installation. Single top strap screw for ease of access. Ultra-light, high strength 7075-T6 aircraft aluminum. Type III hard anodizing for durability Built for left or right handed shooters

# HALOX SCOPE LEVEL FLATLINE OPS HALOX 34MM SCOPE LEVEL BLACK Safety Instructions

## Introduction

Thank you for choosing the HALOX SCOPE LEVEL FLATLINE OPS. This product is designed to enhance your shooting experience by providing a reliable level for your scope. To ensure your safety and the safe use of this product, please read and follow these safety instructions carefully.

## General Safety Guidelines

- **Product Safety:** Always ensure you are using the HALOX SCOPE LEVEL as intended. This product is designed for use with scopes and should not be used for any other purpose.
- **Enhanced Recalls:** In case of any product recalls, please stay informed through official channels. If you receive a recall notice, follow the instructions provided.
- **Online Shopping:** If purchased online, ensure that the retailer complies with safety requirements and offers a clear return policy.
- **Special Consumer Focus:** This product is not intended for use by children. Keep it out of reach of minors to prevent accidents.
- **EU Contact Point:** For any safety inquiries, please refer to the contact point provided by the retailer or manufacturer.
- **Rapid Alerts:** Stay updated on product safety by checking the EU's Safety Gate platform for any alerts regarding unsafe products.

## Specific Safety Precautions for Use

- **Avoid Impact:** Handle the scope level with care. Avoid dropping or striking it against hard surfaces, as this may cause damage.
- **Check for Damage:** Before each use, inspect the scope level for any signs of wear or damage. Do not use if damaged.
- **Proper Handling:** Use the scope level in a safe environment. Ensure that your shooting area is secure and free from unauthorized individuals.
- **Installation Safety:** Follow installation instructions carefully to avoid improper fitting, which could lead to accidents.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded before installation.
- Locate the scope tube where you intend to install the HALOX SCOPE LEVEL.
- Use the JawBone™ barrel hinge to position the level securely on the scope tube.
- Tighten the single top strap screw to secure the level in place. Ensure it is snug but do not overtighten.

### 2. Usage:

- When aiming, ensure that the bubble level is centered in the vial. This indicates that your scope is level.
- Make adjustments as necessary to maintain a level aim.
- Always verify that the level is functioning properly before shooting.

## **Disposal Instructions**

- Dispose of the HALOX SCOPE LEVEL responsibly.
- If the product is no longer usable, check local regulations for proper disposal methods for aluminum and other materials.
- Do not dispose of the product in household waste. Look for recycling options in your area.

## **Contact Information for Further Support**

For any questions or concerns regarding the HALOX SCOPE LEVEL FLATLINE OPS, please refer to the contact information provided by the retailer or manufacturer. They will be able to assist you with any inquiries.

By following these safety instructions, you can ensure a safe and enjoyable experience with your HALOX SCOPE LEVEL. Thank you for your attention to safety, and happy shooting!
