

# HALOX SCOPE LEVEL - FLATLINE OPS HALOX 30MM SCOPE LEVEL BLACK

[Optics & Mounting](#) > [Optic Accessories](#) > [Scope Anti-Cant Devices](#)

The new Halo-X is a game changer. Originally designed for Leupold's Mark 5HD (U.S. Army PSR, M110 and MK22) military optic programs, this unique and precision engineered level is now available for civilian use. Machined from ultra-strong 7075-T6 aircraft aluminum, this is our lightest and strongest level. Weighing less than half an ounce, and only .3125" wide, it's our most minimal level for crowded scope tubes with extensive vegetation. Product Features: Vial-Bridge™ dual connection points and suspended bubble level with reflective platform, allows maximum light refraction for enhanced fluid illumination and sight acquisition in all outdoor and harsh conditions. Jaw-Bone™ barrel hinge for easy installation. Single top strap screw for ease of access. Ultra-light, high strength 7075-T6 aircraft aluminum. Type III hard anodizing for durability. Built for left or right handed shooters

## Attributes

# HALOX SCOPE LEVEL FLATLINE OPS HALOX 30MM SCOPE LEVEL BLACK Safety Instruction Guide

## Introduction

Thank you for choosing the HALOX SCOPE LEVEL FLATLINE OPS HALOX 30MM SCOPE LEVEL BLACK. This guide provides essential safety information to ensure the safe and effective use of this product. Please read and follow the instructions carefully to maximize your safety and the performance of the scope level.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in this manual.
- Always inspect the scope level before each use for any signs of damage or wear.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe product conditions or accidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform regularly.

## Specific Safety Precautions for Use

- Do not use the scope level if it appears damaged or malfunctioning.
- Avoid exposing the scope level to extreme temperatures or harsh environmental conditions that may cause damage.
- Use the scope level only with compatible scope tubes to prevent misalignment or accidents.
- Ensure that the product is securely attached to the scope before use to avoid any detachment during operation.
- Be cautious while handling the product, especially during installation, to prevent injury.

## Instructions for Installation and Usage

### 1. Installation Steps:

- Begin by ensuring that your scope is securely mounted on your firearm.
- Identify the placement area on the scope tube where the HALOX scope level will be installed.
- Clean the area of the scope tube to remove any debris or oil for optimal adhesion.
- Align the VialBridge™ dual connection points of the scope level with the scope tube.
- Secure the scope level in place using the JawBone™ barrel hinge. Ensure it is tightly fastened.
- Insert the single top strap screw and tighten it for added stability.

### 2. Usage Steps:

- Once installed, check that the bubble level is centered. If not, adjust the positioning of the scope level accordingly.
- Use the scope level in conjunction with your scope for accurate aiming and alignment.
- Regularly check the bubble level during use to ensure it remains properly aligned, especially in challenging conditions.

## Disposal Instructions

- Dispose of the HALOX scope level in accordance with local regulations regarding electronic and metal waste.
- If the product is no longer usable, consider recycling it to minimize environmental impact.
- Do not dispose of the product in household waste.

## **Contact Information for Further Support**

For any questions or concerns regarding the HALOX SCOPE LEVEL FLATLINE OPS HALOX 30MM SCOPE LEVEL BLACK, please refer to the manufacturer's website or contact your local distributor for assistance. Ensure you have the product information at hand for a quicker response.

By following the guidelines and instructions provided in this safety instruction guide, you can ensure a safe and effective experience with your HALOX SCOPE LEVEL FLATLINE OPS HALOX 30MM SCOPE LEVEL BLACK. Thank you for your attention to safety.
