

TANGO RM ACCU/LEVEL - FLATLINE OPS TANGO RM ACCU/LEVEL

[Optics & Mounting](#) > [Optic Accessories](#) > [Scope Anti-Cant Devices](#)

The TANGO RM ACCU/LEVEL™ is Flatline Ops' newest and only picatinny rail mounted scope level, fitting all Mil Spec** rails. It boasts the industries only 'fine-adjustable' level feature after you install, for micro-adjustments. Ultra-low design fits under low-mounted scope tubes - without removing the scope*. A long-range shot has many factors to take into consideration to be sure you are on target, and our ACCU/LEVEL™ system aids in the correction of "cant error," giving you dead-on true vertical hold. The level also features an ultra-low profile and machine precision design to make sure you are locked into place before taking that critical shot.

TANGO RM ACCU/LEVEL™ Safety Instruction Guide

Introduction

Thank you for choosing the TANGO RM ACCU/LEVEL™ by Flatline Ops. This guide provides essential safety instructions and information to ensure the safe and effective use of your new scope level. Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure the product is suitable for your specific firearm and scope setup.
- Always handle firearms responsibly and in accordance with local laws and regulations.
- Regularly inspect the TANGO RM ACCU/LEVEL™ for any damage or wear before each use.
- Do not use the product if it is damaged or malfunctioning.
- Keep the product out of reach of children and unauthorized users.

Specific Safety Precautions for Use

- Never attempt to adjust or install the TANGO RM ACCU/LEVEL™ while the firearm is loaded.
- Always ensure the firearm is pointed in a safe direction during installation and adjustment.
- Be aware of your surroundings and ensure that no one is in the line of fire before taking a shot.
- Use the level feature to correct "cant error" for improved accuracy, but do not solely rely on it for safety.
- If you experience any issues with the product, cease use immediately and consult the manufacturer.

Instructions for Installation and Usage

1. Installation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Locate a suitable position on your Mil Spec rail for the TANGO RM ACCU/LEVEL™.
- Align the level with the rail, ensuring it is positioned for optimal visibility.
- Securely fasten the level using the provided mounting hardware, ensuring it is tight and stable.
- Check that the level is properly aligned before proceeding.

2. Usage

- Before taking a shot, verify that the scope and level are correctly adjusted.
- Use the fineadjustable feature to make microadjustments as needed to achieve a true vertical hold.
- Maintain a steady grip on your firearm while using the level to ensure accuracy.
- After use, remove the TANGO RM ACCU/LEVEL™ if necessary for storage or transport.

Disposal Instructions

- Dispose of the TANGO RM ACCU/LEVEL™ in accordance with local regulations.
- Do not dispose of the product in household waste.
- If the product is no longer functional or needed, consider recycling options where available.

Contact Information for Further Support

For any safety inquiries, product support, or to report unsafe products, please reach out to your local Flatline

Ops representative or authorized dealer. Ensure you have your product details ready for assistance.

Thank you for prioritizing safety and compliance with the EU General Product Safety Regulation (GPSR). Enjoy your shooting experience with the TANGO RM ACCU/LEVEL™!
