

HEAVY TACTICAL SCOPE RING SETS - HAWKINS PRECISION 35MM 1.0" SCOPE RINGS WITH PICATINNY RAIL

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Scope Rings](#)

Hawkins Precision Heavy Tactical scope rings are the most robust rings you can buy for your precision rifle. They are made in the USA out of single billet 6061 aluminum and feature a six screw cap design for added reliability. The Heavy Tactical rings come standard with an offset anti-cant bubble level, top picatinny accessory rail, and a hard anodized finish. All heavy tactical scope rings come in 34mm diameter.

Safety Instruction Guide for Hawkins Precision Heavy Tactical Scope Ring Sets

Introduction

Thank you for choosing the Hawkins Precision Heavy Tactical Scope Ring Sets. This guide provides important safety information and instructions to ensure the safe and effective use of your scope rings. Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure that the product is suitable for your specific rifle and scope configuration.
- Always inspect the scope rings before each use for signs of wear or damage.
- Use only with compatible scopes and mounting systems to prevent accidents and ensure proper functionality.
- Keep the product out of reach of children and pets.
- Report any unsafe products or accidents to the relevant authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Do not exceed the recommended specifications for weight and size of the scope to avoid failure.
- Ensure that the scope rings are securely tightened before use to prevent slippage.
- Avoid using the scope rings in extreme environmental conditions that may affect performance.
- Be cautious while handling the scope rings to prevent cuts or injuries from sharp edges.
- If you notice any unusual behavior or defects during use, discontinue use immediately and seek professional assistance.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools, including a torque wrench and appropriate screwdrivers.
- Ensure that your rifle is unloaded and pointed in a safe direction.

2. Installation:

- Align the scope rings with the predrilled holes on your rifle's Picatinny rail.
- Position the scope securely within the rings, ensuring it is level.
- Tighten the screws on the cap of the scope rings using a torque wrench to the manufacturer's recommended specifications.
- Check that the scope is positioned correctly and does not obstruct your line of sight.

3. Usage:

- Once installed, regularly check the tightness of the screws, especially after the first few uses.
- Adjust the scope as necessary for optimal viewing, ensuring that it remains securely mounted.

Disposal Instructions

- Dispose of the product in accordance with local regulations for aluminum and metal products.
- Do not dispose of in household waste. Check for local recycling programs that accept metal products.

Contact Information for Further Support

For any questions or concerns regarding the Hawkins Precision Heavy Tactical Scope Ring Sets, please refer to the manufacturer's official website or customer service channels for assistance.

Thank you for your attention to these safety instructions. Enjoy your shooting experience with confidence and safety.
