A Folding Quick-Throw Lever That Eliminates Any Snagging Points

Having a throw lever on your optic can make a huge difference in your ability to get on target quickly, but dealing with that lever sticking out from your shooting platform can be a huge pain. This SwitchView USA Fold Down Lever makes it easy to benefit from having a throw lever while eliminating the snagging hazard that comes along with it. Each SwitchView Fold Down Lever design has undergone constant refinement, as the company takes feedback from real-world users to enhance its design. After almost a decade of work and enhancement of its original MGM lever design, the Fold Down SwitchView lever is the latest and greatest option for those looking to add this capability to their field rigs. This SwitchView Fold Down Lever is available for a wide range of popular optics, and it comes with an all-black finish that matches most other scope finishes on the market. The lever ships with a two-hole top, hex wrench and installation instructions, so you can get your lever into operation quickly and easily.

SWITCHVIEW FOLD DOWN LEVERS SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing the SWITCHVIEW FOLD DOWN LEVER MODEL SV164167FD. This guide provides important safety instructions and information to ensure the safe use and installation of your new product. Please read this guide carefully before use.

General Safety Guidelines

- Ensure safe use of the Fold Down Lever by following all instructions provided.
- Be aware of potential hazards associated with the lever and your optic.
- Regularly inspect the lever for any signs of wear or damage.
- Keep the lever out of reach of children and vulnerable individuals.
- If you encounter any issues, stop using the product immediately and seek assistance.

Specific Safety Precautions for Use

- Always ensure the lever is securely attached before using your optic.
- Avoid using the lever in adverse weather conditions that may affect its performance.
- Do not force the lever if it does not move freely; check for obstructions or misalignment.
- Use the lever only for its intended purpose with compatible optics.
- If you notice any unusual sounds or resistance while using the lever, discontinue use and inspect it thoroughly.

Instructions for Installation and Usage

1. Installation Instructions

- Gather the necessary tools: a hex wrench (included) and a clean workspace.
- Identify the mounting location on your optic.
- Align the lever with the twohole top and insert the screws.
- Tighten the screws securely using the hex wrench, ensuring the lever is firmly in place.
- Test the lever to ensure it moves smoothly and does not obstruct any other components.

2. Usage Instructions

- To utilize the Fold Down Lever, gently pull it down to engage.
- Ensure you have a firm grip on your optic while operating the lever.
- After use, fold the lever back down to minimize snagging hazards.
- Regularly check the lever's functionality and make adjustments as necessary.

Disposal Instructions

- Dispose of the Fold Down Lever responsibly according to local regulations.
- Do not dispose of the lever in regular household waste.
- If the product is damaged or no longer usable, contact your local waste management authority for proper disposal methods.

Contact Information for Further Support

For any inquiries or support regarding the SWITCHVIEW FOLD DOWN LEVER, please reach out to the designated EU contact point provided with your product. Ensure you have your product details ready for reference.

Conclusion

By following these safety instructions, you can enjoy the benefits of your SWITCHVIEW FOLD DOWN LEVER while ensuring a safe and effective experience. Thank you for your attention to these important guidelines.
