

# BIKINI HANDSTOP - STRIKE INDUSTRIES BIKINI HANDSTOP 2-PIECES BLACK

[Rifle Parts](#) > [Grip Parts](#) > [Foregrips](#)

The Strike Industries Bikini Hand Stop (BHS) gives the shooter increased ergonomics and control of the weapon. The hand stop is made from durable and lightweight polymer compatible with M-LOK rails. The BHS is bi-directional and can be mounted in either direction and includes two (2) per pack. The low-profile design with all rounded corners or smooth edges help to avoid snags. The SI Bikini Hand Stop gives the shooter a quick indexing point for faster weapon deployment which can be used in a "push" or "pull" style grip. You can mount the hand stop more forward on the handguard as it's also designed to go in between your index and middle fingers. The more forward position on the handguard can help get the BHS out of the way when in a kneeling or prone position as well as other accessories and equipment. Also you can mount at 3 or 9 o'clock positions to use as a thumb ledge for applying downward pressure to mitigate recoil. Getting its name from the obvious sexy shape, the Strike Industries Bikini Hand Stop rail attachment gives you increased accuracy and stability at a super budget friendly price while barely adding any weight. Increased ergonomics and control of weapon Gives shooter a quick indexing point for faster weapon deployment Use in a "push" or "pull" style grip or between fingers Mount at 3 or 9 o'clock positions to use as thumb ledge Low-profile with all rounded corners or smooth edges to avoid snags Bi-directional and can be mounted in either direction Made from durable and lightweight polymer For M-LOK rail

# Safety Instruction Guide for the Strike Industries Bikini Hand Stop

## Introduction

Thank you for choosing the Strike Industries Bikini Hand Stop (BHS). This product is designed to enhance your shooting experience by providing increased ergonomics and control of your weapon. It is essential to use this product safely and correctly to maximize its benefits while ensuring your safety and the safety of others.

This guide provides important safety information, installation instructions, and usage guidelines to help you use the Bikini Hand Stop effectively and safely. Please read this guide thoroughly before using the product.

## General Safety Guidelines

- Always treat your firearm as if it is loaded, even when you believe it is not.
- Ensure that the hand stop is securely attached to the weapon before use.
- Regularly inspect the hand stop for any signs of wear or damage.
- Avoid using the product if it shows signs of wear or damage.
- Keep the hand stop and firearm away from children and unauthorized users.
- Use the product only as intended and according to the manufacturer's instructions.
- Be aware of your surroundings and ensure a safe shooting environment.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Ensure that your hands are dry and clean before gripping the hand stop.
- Do not place your fingers in front of the muzzle when using the hand stop.
- Use the hand stop to stabilize your grip and improve weapon control, but do not rely on it for support in unsafe positions.
- Be cautious when mounting the hand stop in different positions (3 or 9 o'clock) to avoid accidental discharge.
- Avoid using excessive force when mounting or adjusting the hand stop to prevent damage.

## Instructions for Installation and Usage

### Installation

1. **Select the Mounting Position:** Choose whether to mount the hand stop at the front of the handguard or at the 3 or 9 o'clock positions based on your grip preference.
2. **Align the Hand Stop:** Position the hand stop on the MLOK rail where you want to install it. Ensure that it is oriented correctly for your intended use.
3. **Secure the Hand Stop:**
  - Use the provided hardware to secure the hand stop to the MLOK rail.
  - Tighten the screws evenly to ensure a secure fit without overtightening.
4. **Check Stability:** After installation, check that the hand stop is firmly attached and does not move when pulled or pushed.

### Usage

- Grip the hand stop using your index and middle fingers for a stable hold.
- Utilize the hand stop in a "push" or "pull" grip style as preferred.
- Ensure that your grip does not obstruct the firearm's controls or sight picture.

- Use the thumb ledge at the 3 or 9 o'clock positions for added stability and control.

## **Disposal Instructions**

- Dispose of the hand stop in accordance with local waste management regulations.
- Do not dispose of the product in general household waste if it is damaged or no longer usable.
- Check with local authorities for proper disposal methods for polymer materials.

## **Contact Information for Further Support**

If you have any questions or require further assistance regarding the use or safety of the Strike Industries Bikini Hand Stop, please contact the manufacturer directly.

Thank you for prioritizing safety while using the Strike Industries Bikini Hand Stop. Your responsible use of this product contributes to a safer shooting environment for everyone.
