

# AR-15 RUBBER OVERMOLDED PISTOL GRIPS - STRIKE INDUSTRIES

## AR-15 RUBBER OVERMOLD PISTOL GRIP 15-DEGREE BLACK

[Rifle Parts](#) > [Grip Parts](#) > [Pistol Grips](#)

The Strike Industries AR Overmolded Enhanced Pistol Grip comes with a rubberized texture in three (3) different angles to suit any shooter's needs; 15, 20 and 25 degrees. Just like the Strike Industries Enhanced Pistol Grip, but now available with a rubberized overmolded surface which improves control of your weapon. The grip is more streamlined and tapered where the webbing of the hand goes to allow more range of movement of the firing hand when accessing the controls. It has enough width in the palm area to maximize comfort during extended use. Each grip features a comfortable beaver tail and secure storage underneath with an included rubber end cap. Get a solid and cozy hold of your gun now with the Strike Industries AR Overmolded Enhanced Pistol Grip. Rubberized overmolded grip improves control Meets a variety of needs with 3 available angles Secure storage underneath with an included rubber end cap Positive aggressive texture Streamlined profile Non-slip grip Increased Comfort

# Safety Instruction Guide for AR15 Rubber Overmolded Pistol Grips

## Introduction

Thank you for choosing the Strike Industries AR15 Rubber Overmolded Pistol Grip. This guide provides essential safety information and instructions to ensure the safe and effective use of your product. Please read this document carefully before use.

## General Safety Guidelines

- Ensure the product is suitable for your AR15 model before installation.
- Always handle firearms with care and follow all relevant safety protocols.
- Store the pistol grip in a safe place, away from children and unauthorized users.
- Regularly inspect the pistol grip for signs of wear or damage.
- If you experience any issues or concerns, discontinue use and seek assistance.

## Specific Safety Precautions for Use

- **Rubberized Grip:** The rubberized overmolded surface improves control but may require adjustment for individual comfort.
- **Installation:** Follow installation instructions carefully to avoid improper fitting, which may lead to accidents.
- **Firing Hand Movement:** The grip is designed for streamlined movement; ensure the grip fits your hand size to maintain control during use.
- **Storage:** Utilize the secure storage feature underneath the grip to keep small items safe and out of reach of children.
- **Comfort:** Take breaks during extended use to prevent fatigue and maintain control.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure your AR15 is unloaded before beginning installation.
- Remove the existing pistol grip by unscrewing it from the lower receiver.
- Align the Strike Industries AR15 Rubber Overmolded Pistol Grip with the mounting hole.
- Securely fasten the grip using the provided screws, ensuring it is tightly fitted.
- Check for any movement or looseness after installation.

### 2. Usage:

- Grip the pistol grip firmly with your dominant hand.
- Ensure your fingers are positioned correctly on the trigger and controls.
- Practice accessing controls to familiarize yourself with the grip's design.
- Always keep the firearm pointed in a safe direction when handling.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- If the grip is damaged or no longer usable, consider recycling materials where possible.
- Do not dispose of in regular household waste if it contains hazardous materials.

## **Contact Information for Further Support**

For any safety inquiries, product concerns, or assistance, please contact your local retailer or the manufacturer directly. Ensure you have your product details ready for reference.

Thank you for prioritizing safety and responsible use with your Strike Industries AR15 Rubber Overmolded Pistol Grip. Enjoy your shooting experience!
