

# AR-15 RUBBER OVERMOLDED PISTOL GRIPS - STRIKE INDUSTRIES

## AR-15 RUBBER OVERMOLD PISTOL GRIP 20-DEGREE BLACK

[Rifle Parts](#) > [Grip Parts](#) > [Pistol Grips](#)

The Strike Industries AR Overmolded Enhanced Pistol Grip comes with a rubberized texture in three (3) different angles to suit any shooter's needs; 15, 20 and 25 degrees. Just like the Strike Industries Enhanced Pistol Grip, but now available with a rubberized overmolded surface which improves control of your weapon. The grip is more streamlined and tapered where the webbing of the hand goes to allow more range of movement of the firing hand when accessing the controls. It has enough width in the palm area to maximize comfort during extended use. Each grip features a comfortable beaver tail and secure storage underneath with an included rubber end cap. Get a solid and cozy hold of your gun now with the Strike Industries AR Overmolded Enhanced Pistol Grip. Rubberized overmolded grip improves control Meets a variety of needs with 3 available angles Secure storage underneath with an included rubber end cap Positive aggressive texture Streamlined profile Non-slip grip Increased Comfort

# Safety Instruction Guide for AR15 Rubber Overmolded Pistol Grips

## Introduction

Thank you for choosing the Strike Industries AR15 Rubber Overmolded Pistol Grip. This guide provides essential safety instructions and guidelines to ensure safe and effective use of your product. Please read this document carefully before installation and use.

## General Safety Guidelines

- Ensure that the grip is compatible with your AR15 model before installation.
- Always handle firearms with care and follow the basic safety rules for firearm handling.
- Store the grip in a dry and safe location, away from children and unauthorized users.
- Regularly inspect the grip for any signs of wear or damage. If damaged, discontinue use immediately.
- Report any unsafe products or incidents to the relevant authorities.

## Specific Safety Precautions for Use

- Always wear appropriate protective gear when using firearms, including eye and ear protection.
- Do not modify the grip in any way that could compromise its integrity or safety.
- Ensure that your hands are clean and dry when handling the grip to maintain optimal control.
- Avoid using the grip in extreme temperatures or environments that could affect the material.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded before beginning installation.
- Remove the existing pistol grip from your AR15 by unscrewing it from the lower receiver.
- Align the Strike Industries AR15 Rubber Overmolded Pistol Grip with the mounting area on the lower receiver.
- Secure the grip using the provided screws, ensuring it is tightly fastened but not overtightened to avoid damage.

### 2. Usage:

- Grip the pistol firmly with the palm resting comfortably against the grip.
- Ensure your fingers are positioned on the trigger only when you are ready to fire.
- Practice proper shooting stance and alignment to maximize control and accuracy.

## Disposal Instructions

- Dispose of the product in accordance with local regulations concerning plastic and rubber waste.
- Do not incinerate or expose the grip to extreme heat, as this may release harmful substances.

## Contact Information for Further Support

For any safety inquiries or concerns regarding the product, please refer to the manufacturer's website or contact their customer support.

By following these safety instructions, you can ensure a safe and enjoyable experience with your Strike Industries AR15 Rubber Overmolded Pistol Grip. Always prioritize safety and responsible firearm handling.
