

AR-15 RUBBER OVERMOLDED PISTOL GRIPS - STRIKE INDUSTRIES

AR-15 RUBBER OVERMOLD PISTOL GRIP 25-DEGREE BLACK

[Rifle Parts](#) > [Grip Parts](#) > [Pistol Grips](#)

The Strike Industries AR Overmolded Enhanced Pistol Grip comes with a rubberized texture in three (3) different angles to suit any shooter's needs; 15, 20 and 25 degrees. Just like the Strike Industries Enhanced Pistol Grip, but now available with a rubberized overmolded surface which improves control of your weapon. The grip is more streamlined and tapered where the webbing of the hand goes to allow more range of movement of the firing hand when accessing the controls. It has enough width in the palm area to maximize comfort during extended use. Each grip features a comfortable beaver tail and secure storage underneath with an included rubber end cap. Get a solid and cozy hold of your gun now with the Strike Industries AR Overmolded Enhanced Pistol Grip. Rubberized overmolded grip improves control Meets a variety of needs with 3 available angles Secure storage underneath with an included rubber end cap Positive aggressive texture Streamlined profile Non-slip grip Increased Comfort

Safety Instruction Guide for AR15 Rubber Overmolded Pistol Grips

Introduction

Thank you for choosing the Strike Industries AR15 Rubber Overmolded Pistol Grip. This product is designed to enhance your shooting experience while ensuring safety and comfort. Please read this safety instruction guide carefully to understand how to use and maintain your pistol grip properly.

General Safety Guidelines

- Ensure safe use of the product by following all instructions provided.
- Always treat firearms with respect and handle them safely.
- Check for any visible damage to the grip before installation. Do not use if damaged.
- Keep the grip and all firearm components away from children and unauthorized users.
- Regularly inspect the grip for wear and tear, and replace it if necessary.
- Familiarize yourself with local laws and regulations regarding firearm accessories.

Specific Safety Precautions for Use

- Use the grip only with compatible AR15 models.
- Ensure that the grip is securely attached before handling the firearm.
- Avoid using excessive force when gripping the firearm to prevent slippage.
- Do not modify the grip in any way, as this may compromise safety.
- Always store your firearm in a secure location when not in use.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing pistol grip, if applicable, following the manufacturer's instructions.
- Align the Strike Industries AR15 Rubber Overmolded Pistol Grip with the firearm's grip mount.
- Securely fasten the grip using the provided hardware, ensuring it is tightly in place.

2. Usage:

- Hold the grip firmly with your dominant hand.
- Adjust your grip angle (15, 20, or 25 degrees) according to your comfort and shooting style.
- Use the beaver tail for added support and comfort.
- Maintain a steady grip while aiming and firing to enhance control.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the grip in regular household waste.
- If the grip is damaged or worn out, consider recycling it if possible.

Contact Information for Further Support

For any inquiries regarding safety or product concerns, please reach out to the manufacturer or retailer from whom you purchased the product. Ensure you have the product details ready for a more efficient response.

By following these guidelines, you can ensure a safer shooting experience with your Strike Industries AR15 Rubber Overmolded Pistol Grip. Thank you for prioritizing safety.
