

# CZ SCORPION EVO DOVETAIL SLING MOUNTS - STRIKE INDUSTRIES

## CZ SCORPION EVO DOVETAIL MOUNT ANGLED QD BLACK

[Shooting Accessories](#) > [Slings & Sling Swivels](#) > [Tactical Sling Mounts](#)

The Strike Industries Angled Quick Detach (AQD) and Flat Quick Detach (FQD) for CZ Scorpion EVO allows for proper sling attachment to a QD socket that directly replaces the factory CZ swivel sling mount. Designed to fit into the dovetail cuts located on the barrel trunnion, the AQD/FQD is ambidextrous and can be used on either side of the CZ Scorpion. Move the handguard forward enough to slide the factory mount off and simply slide the AQD/FQD into the dovetail for an easy installation. Angled at 115 degrees (AQD) which allows for easier ergonomic placement and accessibility. The QD is a 360° free swivel socket that is made from lightweight 6061-T6 aluminum and is bead blasted hard anodized. The Strike Industries Angled/Flat Quick Detach for CZ Scorpion EVO assists in pairing your QD sling in a harmonious position against your body or secures the sling as a shooting aid. Installs in factory CZ barrel trunnion dovetail Ambidextrous for either side Angled: 115 degrees for easier ergonomic placement & accessibility 360° free swivel QD socket Lightweight and easy to install 6061-T6 aluminum bead blasted hard anodized

# Safety Instruction Guide for CZ Scorpion EVO Dovetail Sling Mounts

## Introduction

Thank you for choosing the Strike Industries CZ Scorpion EVO Dovetail Sling Mounts. This guide provides essential safety information, installation instructions, and proper usage guidelines to ensure a safe and effective experience with your product. Please read this guide carefully before use.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as a sling mount for the CZ Scorpion EVO.
- Regularly inspect the sling mount for any signs of wear or damage before each use.
- Do not exceed the manufacturer's weight limit for the sling and equipment attached to the mount.
- Keep the product out of reach of children and vulnerable individuals to prevent accidental injury.
- Report any unsafe products or accidents to the appropriate authorities and check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that the sling mount is securely attached to the dovetail cuts on the barrel trunnion before use.
- Avoid using the sling mount in adverse weather conditions that could compromise grip or stability.
- Do not modify or alter the sling mount in any way, as this may affect its performance and safety.
- Always check that the Quick Detach (QD) socket is functioning properly before attaching your sling.
- Use caution when detaching or reattaching the sling to avoid pinching fingers or causing injury.

## Instructions for Installation and Usage

### 1. Installation Steps:

- Move the handguard forward enough to slide the factory mount off.
- Align the AQD/FQD with the dovetail cuts on the barrel trunnion.
- Slide the AQD/FQD into the dovetail until securely fitted.
- Ensure that the mount is firmly in place and does not wobble.

### 2. Usage Instructions:

- Attach your sling to the QD socket, ensuring it clicks into place.
- Adjust the sling as necessary for comfort and accessibility.
- For the Angled Quick Detach (AQD) model, ensure the angle is positioned for ergonomic use.
- Regularly check the attachment during use to ensure it remains secure.

## Disposal Instructions

- Dispose of the product in accordance with local regulations regarding metal recycling.
- Do not dispose of the product in household waste.
- Consider donating or recycling the product if it is no longer needed and still in usable condition.

## Contact Information for Further Support

For any inquiries or further assistance regarding the product, please refer to the manufacturer's contact information provided with your purchase.

Thank you for your attention to these safety instructions. Your safety is our priority, and we hope you enjoy using your CZ Scorpion EVO Dovetail Sling Mounts.
