

# CZ SCORPION EVO DOVETAIL SLING MOUNTS - STRIKE INDUSTRIES

## CZ SCORPION EVO DOVETAIL MOUNT FLAT QD BLACK

[Shooting Accessories](#) > [Slings & Sling Swivels](#) > [Tactical Sling Mounts](#)

The Strike Industries Angled Quick Detach (AQD) and Flat Quick Detach (FQD) for CZ Scorpion EVO allows for proper sling attachment to a QD socket that directly replaces the factory CZ swivel sling mount. Designed to fit into the dovetail cuts located on the barrel trunnion, the AQD/FQD is ambidextrous and can be used on either side of the CZ Scorpion. Move the handguard forward enough to slide the factory mount off and simply slide the AQD/FQD into the dovetail for an easy installation. Angled at 115 degrees (AQD) which allows for easier ergonomic placement and accessibility. The QD is a 360° free swivel socket that is made from lightweight 6061-T6 aluminum and is bead blasted hard anodized. The Strike Industries Angled/Flat Quick Detach for CZ Scorpion EVO assists in pairing your QD sling in a harmonious position against your body or secures the sling as a shooting aid. Installs in factory CZ barrel trunnion dovetail Ambidextrous for either side Angled: 115 degrees for easier ergonomic placement & accessibility 360° free swivel QD socket Lightweight and easy to install 6061-T6 aluminum bead blasted hard anodized

# Safety Instruction Guide for CZ Scorpion EVO Dovetail Sling Mounts

## Introduction

Thank you for choosing the Strike Industries CZ Scorpion EVO Dovetail Sling Mounts. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your new product. Please read this document carefully before using the product.

## General Safety Guidelines

- **Product Safety:** This product has been designed to meet safety requirements for nonfood items. Ensure that you use it according to the instructions provided to minimize risks.
- **Enhanced Recalls:** In the event of a safety concern, be aware that standardized recall notices will be issued. Follow the instructions provided for any necessary remedies.
- **Online Shopping:** If purchased online, ensure that the platform complies with safety requirements similar to physical stores.
- **Special Consumer Focus:** Extra precautions should be taken if the product is used by vulnerable groups, including children.
- **EU Contact Point:** For any safety inquiries, ensure to reach out to the designated EU-based contact for assistance.
- **Rapid Alerts:** Stay informed about updates regarding unsafe products through the EU's Safety Gate system.

## Specific Safety Precautions for Use

- **Check Compatibility:** Ensure that the product is compatible with your CZ Scorpion EVO model before installation.
- **Inspect Before Use:** Always inspect the sling mount for any damage or defects before installation. Do not use if damaged.
- **Proper Installation:** Follow the installation instructions carefully to avoid any hazards that may arise from improper setup.
- **Use Appropriate Sling:** Use only slings that are compatible with the QD socket to prevent accidents.
- **Avoid Overloading:** Do not exceed the weight limit specified by the sling manufacturer to ensure safety during use.
- **Regular Maintenance:** Periodically check the sling mount for wear and tear, and replace it if necessary.
- **Keep Out of Reach of Children:** Store the product in a safe place away from children to prevent accidental use or injury.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather necessary tools, including a suitable wrench if required.
- Ensure the work area is clean and well-lit.

### 2. Installation Steps:

- Move the handguard of the CZ Scorpion EVO forward to access the factory mount.
- Slide the factory mount off carefully.
- Align the Strike Industries AQD/FQD with the dovetail cuts on the barrel trunnion.
- Slide the AQD/FQD into the dovetail until it is securely in place.
- Ensure that the mount is firmly attached and does not wobble.

### 3. Using the Sling:

- Attach your compatible sling to the QD socket.
- Adjust the sling for comfort and accessibility.
- Ensure that the sling is secured before use to avoid any accidents during operation.

### 4. PostInstallation Check:

- After installation, perform a check to ensure that all components are secure.
- Test the sling mount by applying gentle pressure to ensure stability.

## Disposal Instructions

- **Environmental Considerations:** Dispose of the product in accordance with local regulations for electronic or aluminum waste.
- **Recycling:** If possible, recycle the product to minimize environmental impact.

## Contact Information for Further Support

For any inquiries regarding safety or product issues, please refer to the designated EU contact point for assistance.

By following these safety instructions, you can ensure a safe and effective experience with your Strike Industries CZ Scorpion EVO Dovetail Sling Mounts. Thank you for your attention to safety.
