

# PF320PTEX MAGWELL EDC - POLYMER80 PF320 MAGWELL EDC GRAY

[Handgun Parts](#) > [Frame Parts](#) > [Magazine Wells](#)

## An Enhanced Magazine Well Designed for the PF320PTEX Grip Module

There's no reason to sacrifice speed when you're dealing with a concealed-carry gun. This Polymer80 PF320PTEX Magwell was designed with help from Steel City Arsenal, and the result is a must-have addition for your P80 P320 pistol frame. You'll experience faster, easier reloads, all without any noticeable bulk during daily carry. Each Polymer80 PF320PTEX Magwell is machined from 6061-T6 aluminum and treated with a hard-anodized finish. The magwell attaches quickly and easily with a single set screw, and it's designed to work with 17-round magazines. Each magwell is machined right here in the USA.

## Attributes

# PF320PTEx Magwell EDC Safety Instructions

## Introduction

Thank you for choosing the PF320PTEx Magwell EDC by Polymer80. This product is designed to enhance the performance of your P80 P320 pistol frame, providing faster and easier reloads without added bulk. This safety instruction guide is designed to ensure the safe use of the product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure you read and understand all safety instructions before using the PF320PTEx Magwell EDC.
- Always handle firearms and accessories responsibly and in accordance with local laws and regulations.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the magwell for signs of wear or damage before each use.
- In case of any malfunction or damage, discontinue use immediately and consult a qualified professional.

## Specific Safety Precautions for Use

### • Installation Precautions:

- Ensure that the firearm is unloaded before installing or removing the magwell.
- Use only the specified tools for installation to avoid damaging the product or the firearm.

### • Usage Precautions:

- Always verify that the magazine is properly seated in the magwell before firing.
- Do not attempt to modify the magwell or use it in ways not intended by the manufacturer.

### • Storage Precautions:

- Store the magwell in a dry, cool place when not in use.
- Avoid exposing the magwell to extreme temperatures or moisture.

## Instructions for Installation and Usage

### Installation Steps

#### 1. Preparation:

- Ensure your firearm is completely unloaded.
- Gather necessary tools: a screwdriver compatible with the set screw.

#### 2. Attaching the Magwell:

- Align the magwell with the pistol frame.
- Insert the set screw into the designated hole.
- Tighten the screw gently until the magwell is secure but do not overtighten.

#### 3. Final Check:

- Confirm that the magwell is firmly attached and does not wobble.
- Test the fit with a 17round magazine to ensure proper operation.

## Usage Steps

### 1. Loading the Firearm:

- Insert the loaded magazine into the magwell.
- Ensure it clicks into place properly.

### 2. Firing:

- Follow all standard firearm safety protocols while firing.
- Monitor the performance of the magwell during use.

### 3. Unloading:

- Remove the magazine from the magwell after use.
- Always check the chamber to ensure the firearm is unloaded.

## Disposal Instructions

- Dispose of the PF320PTEx Magwell EDC in accordance with local waste management regulations.
- Do not dispose of the magwell in general household waste if it is damaged or no longer functional.
- Consider recycling options for metal components where available.

## Contact Information for Further Support

For any safety inquiries or support regarding the PF320PTEx Magwell EDC, please contact the manufacturer directly through their official channels. Ensure you have your product details ready for a more efficient response.

Thank you for your attention to these safety instructions. Your safety and the safety of those around you are of utmost importance. Enjoy the enhanced performance of your PF320PTEx Magwell EDC responsibly.
