## **A Must-Have Apron That Keeps You Protected While Working on Manly Stuff**

Whether you're tinkering with your guns, wrenching on a V8 or doing other manly things, you'll need work gear that keeps you protected while still looking badass. This Armageddon Gear Gunsmith Apron is built for men who build things. It's made from mil-spec 1000D Cordura Nylon, which gives you an incredible level of durability and protection, so you won't have to worry about what's under the apron while you're working. Each Armageddon Gear Gunsmith Apron includes four side pockets, as well as a multi-sectioned chest pocket complete with a hook-and-loop field that accepts patches. Heavy-duty, 2-inch shoulder straps can be adjusted for the perfect fit, ensuring your comfortable while you're protected. Hell, there's even four columns of PALS webbing that allows you to tack on whatever pack or other piece of gear you need right in front of you while you're working. Best of all, this apron is made right here in the USA.

# Safety Instruction Guide for the Armageddon Gear Gunsmith Apron

## Introduction

Thank you for choosing the Armageddon Gear Gunsmith Apron. This apron is designed to provide protection and functionality while you work on your projects. To ensure your safety and the longevity of the product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Ensure the apron is worn correctly and adjusted for a snug fit to prevent any accidents during use.
- Regularly inspect the apron for any signs of wear and tear, especially the straps and pockets.
- Keep the apron clean to maintain its durability and performance.
- Store the apron in a dry place to prevent mold and deterioration.

## Specific Safety Precautions for Use

- **Hazard Identification:**
  - Be cautious of sharp tools and materials while wearing the apron.
  - Ensure that pockets are not overloaded to avoid strain or accidental spills.
- **Avoiding Hazards:**
  - Use the apron only for its intended purpose, which is to provide protection while working on projects.
  - Do not use the apron near open flames or hazardous materials that could compromise its integrity.
- **Age and Audience Specific Warnings:**
  - This apron is intended for adult use. Keep it away from children to prevent misuse or accidents.

## Instructions for Installation and Usage

- **Wearing the Apron:**
  - Place the apron over your head and adjust the straps around your shoulders.
  - Ensure that the apron covers your torso adequately and that the straps are tightened for a secure fit.
- **Using the Pockets:**
  - Utilize the four side pockets for tools and materials, ensuring they are not overloaded.
  - Use the multisectioned chest pocket for smaller items and attach patches securely to the hookandloop field.
- **Adjusting the Straps:**
  - Adjust the 2inch shoulder straps to ensure comfort while providing adequate protection.
  - Check the adjustment before starting any work to ensure the apron fits properly.

## Disposal Instructions

- When the apron has reached the end of its life or is damaged beyond repair, dispose of it responsibly.
- Check local regulations for guidance on the disposal of textiles and synthetic materials.
- Consider recycling options if available in your area.
