A Must-Have Apron That Keeps Your Protected While Working on Manly Stuff

Whether you're tinkering with your guns, wrenching on a V8 or doing other manly things, you'll need work gear that keeps you protected while still looking badass. This Armageddon Gear Gunsmith Apron is built for men who build things. It's made from mil-spec 1000D Cordura Nylon, which gives you an incredible level of durability and protection, so you won't have to worry about what's under the apron while you're working. Each Armageddon Gear Gunsmith Apron includes four side pockets, as well as a multi-sectioned chest pocket complete with a hook-and-loop field that accepts patches. Heavy-duty, 2-inch shoulder straps can be adjusted for the perfect fit, ensuring your comfortable while you're protected. Hell, there's even four columns of PALS webbing that allows you to tack on whatever pack or other piece of gear you need right in front of you while you're working. Best of all, this apron is made right here in the USA.

Safety Instruction Guide for GUNSMITH APRON ARMAGEDDON GEAR

Introduction

Thank you for choosing the GUNSMITH APRON by Armageddon Gear. This apron is designed for durability and functionality, ensuring a safe and effective experience while you work on your projects. Please read this safety instruction guide carefully to understand how to use the product safely and responsibly.

General Safety Guidelines

- Always inspect the apron for any damage before use. Do not use if damaged.
- Ensure that the apron is properly fitted to avoid any hazards while working.
- Keep the apron away from sharp objects and hazardous materials to prevent tears and wear.
- Be aware of your surroundings when wearing the apron, especially when working with tools or machinery.
- Store the apron in a clean and dry place when not in use.

Specific Safety Precautions for Use

- **Proper Fit:** Adjust the shoulder straps to ensure a comfortable and secure fit. A loose apron can lead to accidents.
- **Pockets:** Use the pockets responsibly. Do not overload them, as this may affect your balance and mobility.
- **PALS Webbing:** When attaching gear to the PALS webbing, ensure that it is securely fastened and does not obstruct your movement.
- **Cleaning:** Follow the manufacturer's cleaning instructions to maintain the integrity of the material. Avoid harsh chemicals that may degrade the fabric.
- **Children:** This apron is not intended for use by children. Keep it out of reach of minors.

Instructions for Installation and Usage

1. Fitting the Apron:

- Place the apron over your head.
- Adjust the shoulder straps to fit comfortably on your shoulders.
- Ensure that the apron covers your torso adequately without being too tight or loose.

2. Using the Pockets:

- Utilize the side pockets for tools or items you need frequently.
- Use the multisectioned chest pocket for smaller items or patches.

3. Adjusting Gear:

- If you attach any gear using the PALS webbing, make sure it is securely in place.
- Check the attachments periodically during use to ensure they remain secure.

4. Maintenance:

- After use, wipe down the apron with a damp cloth to remove dirt and debris.
- Store the apron in a dry area to prevent mildew and damage.

Disposal Instructions

- When the apron reaches the end of its life, dispose of it responsibly. Consider recycling the material if possible.
- Do not burn the apron, as it may release harmful fumes.
