

GUNSMITH APRON - ARMAGEDDON GEAR GUNSMITH APRON, RANGER GREEN

[Gunsmith Tools](#) > [Safety Equipment](#) > [Aprons](#)

A Must-Have Apron That Keeps You Protected While Working on Manly Stuff

Whether you're tinkering with your guns, wrenching on a V8 or doing other manly things, you'll need work gear that keeps you protected while still looking badass. This Armageddon Gear Gunsmith Apron is built for men who build things. It's made from mil-spec 1000D Cordura Nylon, which gives you an incredible level of durability and protection, so you won't have to worry about what's under the apron while you're working. Each Armageddon Gear Gunsmith Apron includes four side pockets, as well as a multi-sectioned chest pocket complete with a hook-and-loop field that accepts patches. Heavy-duty, 2-inch shoulder straps can be adjusted for the perfect fit, ensuring your comfortable while you're protected. Hell, there's even four columns of PALS webbing that allows you to tack on whatever pack or other piece of gear you need right in front of you while you're working. Best of all, this apron is made right here in the USA.

Safety Instruction Guide for the Armageddon Gear Gunsmith Apron

Introduction

Thank you for purchasing the Armageddon Gear Gunsmith Apron in Ranger Green. This apron is designed for durability and functionality, ensuring that you stay protected while working on your projects. Please read this safety instruction guide carefully to ensure safe and proper use of the apron.

General Safety Guidelines

- Ensure that the apron is worn properly at all times during use to maximize protection.
- Always inspect the apron before use for any signs of damage or wear. Do not use if damaged.
- Keep the apron away from open flames and sharp objects to prevent burns and cuts.
- Store the apron in a cool, dry place when not in use to maintain its integrity.
- Follow all care instructions to ensure the longevity of the apron.

Specific Safety Precautions for Use

- Only use the apron for its intended purpose—protecting yourself while working on mechanical projects or similar tasks.
- Adjust the shoulder straps to ensure a snug fit, preventing the apron from slipping or becoming a tripping hazard.
- Be cautious when using tools or equipment while wearing the apron; ensure that pockets are secured to prevent tools from falling out.
- Avoid overloading the pockets with heavy items; this may cause strain or imbalance while working.
- If you are working in a potentially hazardous environment, ensure that additional personal protective equipment (PPE) is used as necessary.

Instructions for Installation and Usage

1. Wearing the Apron:

- Place the apron over your head and adjust the neck strap for comfort.
- Adjust the shoulder straps to fit snugly against your shoulders.

2. Using the Pockets:

- Utilize the four side pockets for tools and small items.
- Use the multisectioned chest pocket for items that you need quick access to, ensuring they are securely placed.

3. Attaching Additional Gear:

- Use the four columns of PALS webbing to attach any additional gear or packs as needed. Ensure that attached items do not obstruct your movement or visibility.

4. Care and Maintenance:

- Clean the apron with a damp cloth to remove dirt and debris.
- For deeper cleaning, follow the manufacturer's care instructions to maintain fabric integrity.
- Regularly check for any signs of wear and tear, and replace the apron if it is no longer safe to use.

Disposal Instructions

- When the apron reaches the end of its usable life, dispose of it responsibly.
- Check local regulations for textile disposal or recycling options.
- Do not burn the apron as it may release harmful fumes.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the Armageddon Gear Gunsmith Apron, please refer to the manufacturer's contact information provided with your product.

Conclusion

By following these safety guidelines and instructions, you can ensure safe and effective use of your Armageddon Gear Gunsmith Apron. Always prioritize safety while working on your projects, and enjoy the functionality and protection that this apron offers.
