An Easy Way to Carry Your Shooting Gear

When you're shooting, there's nothing like having all your essential gear on hand, but otherwise, it can be a pain to carry around. Armageddon Gear is making it easier for you with a new design out from the company's pro staffer, Francis Colon. This Armageddon Gear Tripod Caddy gives you an easy way to carry all of your shooting essentials. Each Armageddon Gear Tripod Caddy includes spots for pretty much everything, including your Kestrel, data boards, pens, match book and more. Heck, you can even keep magazines and water bottles on board for your down time. As an added benefit, this tripod caddy has a fold-down workspace that gives you a place to record all your match data. This is a must-have piece of gear not only for shooters but for everyone involved in the shooting sports. The Armageddon Gear Tripod Caddy can be had in Multicam and Gray colors, and it weighs just 1 pound, 3 ounces. Of course, like all of the company's gear, it's made right here in the USA! Tripod Not Included.

Safety Instruction Guide for the Armageddon Gear Tripod Caddy

Introduction

Thank you for choosing the Armageddon Gear Tripod Caddy. This product is designed to help you carry all your essential shooting gear conveniently. To ensure safe and effective use of the Tripod Caddy, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always inspect the Tripod Caddy before each use to ensure it is in good condition.
- Ensure that the caddy is used only for its intended purpose: carrying shooting essentials.
- Keep the Tripod Caddy out of reach of children to prevent accidents.
- Avoid overloading the caddy beyond its weight limit of 1 pound, 3 ounces.
- Store the caddy in a dry and clean environment to maintain its integrity.

Specific Safety Precautions for Use

- When carrying the Tripod Caddy, ensure that it is securely fastened to prevent accidental spills of contents.
- Do not use the Tripod Caddy while moving over uneven terrain to avoid tripping hazards.
- Be cautious when using sharp objects, such as pens or matchbooks, to prevent injury.
- If using the folddown workspace, ensure it is properly secured before writing or placing any items on it.
- Regularly check for wear and tear on straps and compartments to avoid failure during use.

Instructions for Installation and Usage

1. Unpacking the Tripod Caddy:

- Carefully remove the caddy from its packaging.
- Inspect for any damage or missing parts before proceeding.

2. Setting Up the Caddy:

- Open all compartments and ensure they are clean and free from debris.
- Place your shooting essentials in designated spots:
 - Kestrel
 - Data boards
 - Pens
 - Match books
 - Magazines
 - Water bottles
- Ensure that all items are securely placed to avoid movement during transport.

3. Using the FoldDown Workspace:

- To deploy the folddown workspace, gently pull it down until it clicks into place.
- Ensure the workspace is stable before placing any items on it.
- After use, fold the workspace back up securely to maintain the caddy's compact form.

4. Carrying the Caddy:

- Use the designated handle or straps to carry the caddy.
- Ensure that the caddy is balanced and not overloaded to prevent strain.

Disposal Instructions

- Dispose of the Armageddon Gear Tripod Caddy in accordance with local regulations.
- If the caddy is damaged beyond repair, consider recycling materials where possible.
- Do not incinerate or dispose of the caddy in regular household waste.
