

T-SERIES L2C HOLSTER - BLACKHAWK GLOCK 20/38 RH HOLSTER, BLACK

[Home](#)

With its streamlined thumb-activated retention, the T-Series keeps your firearm at the ready while maintaining total security. Thanks to a drawing motion that operates off of the Master Grip Principle, you'll be able to get into the fight under even the most stressful of circumstances. A combination of reinforced outer polymer and smooth, sound-dampening, hydrophobic lining ensures your T-Series will perform no matter the elements and situation. Included with the L2C is the Quick Dual Release Belt Loop (attached) and the 2-Slot Belt Loop. Jacket Slot Belt Loop sold separately.

TSERIES L2C HOLSTER SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the TSERIES L2C Holster for your Glock 20/38. This product is designed to provide both security and accessibility for your firearm. To ensure safe and effective use, please read and follow the safety instructions outlined in this guide. These instructions comply with the EU General Product Safety Regulation (GPSR) to promote safe usage and awareness.

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Keep the holster away from children and unauthorized users.
- Inspect the holster regularly for any signs of wear or damage.
- Ensure the holster is compatible with your specific firearm model.
- Do not modify the holster in any way, as this may compromise safety.
- Always secure your firearm in the holster when not in use.
- Be aware of your surroundings when drawing your firearm.

Specific Safety Precautions for Use

- **Retention Mechanism:** The TSeries features a thumbactivated retention system. Practice using the retention mechanism in a safe environment until you are comfortable with it.
- **Drawing Motion:** Utilize the Master Grip Principle to ensure a smooth and safe draw. Avoid rushing the draw to prevent accidents.
- **Environmental Conditions:** The holster is hydrophobic and designed for various conditions. However, avoid exposing it to extreme temperatures or conditions that may compromise its integrity.
- **Storage:** Store the holster in a cool, dry place when not in use. Avoid direct sunlight and moisture.
- **Training:** Consider receiving training on the safe handling and use of firearms if you are not experienced.

Instructions for Installation and Usage

1. Installation:

- Attach the Quick Dual Release Belt Loop to your belt by threading it through the belt and securing it in place.
- Ensure the holster is positioned comfortably on your right side for easy access.

2. Usage:

- Place your Glock 20/38 securely into the holster.
- Ensure that the firearm is fully seated in the holster and that the retention mechanism is engaged.
- To draw the firearm, press the thumb release and draw smoothly, maintaining control of the firearm at all times.

Disposal Instructions

- When disposing of the holster, ensure it is done in an environmentally friendly manner.
- Check local regulations for proper disposal methods for polymer materials.
- If the holster is damaged beyond use, consider recycling the materials if possible.

Contact Information for Further Support

For any safety inquiries or additional support regarding the TSERIES L2C Holster, please refer to the EU contact point provided by the manufacturer.

Conclusion

By following these safety instructions, you can ensure a safe and effective experience with your TSERIES L2C Holster. Always prioritize safety and responsible handling of your firearm. Thank you for your attention to these important guidelines.
