

T-SERIES L2C LIGHT-BEARING HOLSTER - BLACKHAWK SIG P320/P250 RH HOLSTER, BLACK

[Home](#)

T-SERIES L2C LIGHT-BEARING HOLSTER With its streamlined thumb-activated retention, the T-Series keeps your firearm at the ready while maintaining total security. Thanks to a drawing motion that operates off of the Master Grip Principle, you'll be able to get into the fight under even the most stressful of circumstances. A combination of reinforced outer polymer and smooth, sound-dampening, hydrophobic lining ensures your T-Series will perform no matter the elements and situation. Includes Quick Dual Release (QDR) Belt Loop mounted to holster and a 2-Slot Belt Loop is included in the box. Jacket Slot Belt Loop sold separately.

TSERIES L2C LIGHTBEARING HOLSTER SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing the TSERIES L2C LightBearing Holster. This guide provides essential safety instructions, usage precautions, and disposal information to ensure your holster is used safely and effectively. Please read this guide thoroughly before using the product.

General Safety Guidelines

- Ensure that the holster is compatible with your firearm model (Sig Sauer P320, P250, M17, M18).
- Always treat your firearm as if it is loaded, even when it is not.
- Keep the holster away from children and unauthorized users.
- Regularly inspect the holster for signs of wear or damage.
- Follow all local laws and regulations regarding firearm storage and carry.

Specific Safety Precautions for Use

- **Retention Mechanism:** Familiarize yourself with the thumbactivated retention system. Practice using it in a safe environment before carrying your firearm.
- **Drawing Motion:** Use the Master Grip Principle to ensure a smooth drawing motion. Avoid jerky movements that may compromise safety.
- **Environment:** Be aware of your surroundings and avoid using the holster in situations where you may be at risk of falling or being jostled.
- **Clothing:** Ensure that clothing does not obstruct the holster or interfere with the drawing motion.
- **Training:** Consider professional training for firearm handling to enhance safety and proficiency.

Instructions for Installation and Usage

1. Installation:

- Attach the Quick Dual Release (QDR) Belt Loop to your belt according to the included instructions.
- Ensure the holster is securely mounted and does not shift during movement.
- If using the 2Slot Belt Loop, follow the same secure attachment process.

2. Usage:

- Insert your firearm into the holster, ensuring it is fully seated.
- Practice drawing the firearm in a safe environment, focusing on smooth and controlled movements.
- Regularly check the holster's retention to ensure it securely holds the firearm.

Disposal Instructions

- Dispose of the holster in accordance with local regulations.
- If the holster is damaged or no longer usable, consider recycling the polymer material where facilities are available.
- Do not burn the holster, as it may release harmful substances.

Contact Information for Further Support

For any safety inquiries or concerns regarding the TSERIES L2C LightBearing Holster, please contact the manufacturer or refer to the product packaging for further support details.

Conclusion

Your safety and the safety of those around you are paramount. By following the guidelines outlined in this instruction guide, you can ensure the responsible use of your TSERIES L2C LightBearing Holster. Stay informed about safety practices and always prioritize safety when handling firearms.
