# Safety Instructions for Blackhawk SERPA CQC Holster

## Introduction

Thank you for choosing the Blackhawk SERPA CQC Holster for your Sig P365/P365XL handgun. This holster is designed to provide both security and ease of use. To ensure your safety and the optimal performance of your holster, please read this guide carefully. It contains important safety information and instructions for proper use.

## General Safety Guidelines

- Always ensure that your firearm is unloaded before placing it in or removing it from the holster.
- Do not use the holster for any purpose other than carrying your firearm.
- Keep the holster away from children and unauthorized users.
- Regularly inspect the holster for any signs of wear or damage.
- If you notice any defects, discontinue use immediately and contact the manufacturer.
- Follow all local laws and regulations regarding firearm storage and carry.

## Specific Safety Precautions for Use

- Ensure that the holster is securely attached to your belt or chosen platform before use.
- Always use the SERPA AutoLock feature correctly to ensure the firearm is secured in the holster.
- Avoid placing your finger on the trigger while drawing the firearm from the holster.
- Practice drawing your firearm in a safe environment to become familiar with the holster's operation.
- Be aware of your surroundings when drawing or reholstering your firearm.
- Do not attempt to modify the holster in any way, as this may compromise its safety features.

## Instructions for Installation and Usage

### 1. Installation:

- Choose a suitable belt or platform for mounting the holster.
- If using the belt loop, slide it onto your belt and ensure it is securely fastened.
- If using the paddle platform, position it for comfortable access and secure it according to the manufacturer's instructions.
- Ensure that the holster is positioned for a comfortable draw while maintaining accessibility.

### 2. Usage:

- To insert your firearm, ensure it is pointed in a safe direction.
- Slide the firearm into the holster until it clicks into place, indicating that the SERPA AutoLock has engaged.
- To draw the firearm, use your index finger to press down on the release mechanism while simultaneously pulling the firearm upward.
- After use, reholster your firearm by guiding it back into the holster until you hear the click of the AutoLock.

## Disposal Instructions

- Dispose of the holster in accordance with local regulations regarding plastic and polymer materials.
- If the holster is damaged beyond repair, ensure it is disposed of in a manner that prevents unauthorized access.

## **Contact Information for Further Support**

For any questions or concerns regarding the Blackhawk SERPA CQC Holster, please refer to the manufacturer's contact information provided on the packaging or visit their official website.

Thank you for your attention to these safety instructions. Your safety and the safe handling of firearms are of utmost importance.
