

# SMITH & WESSON M&P FLAT FACED TRIGGERS POLYMER - APEX TACTICAL SPECIALTIES INC M&P 2.0 FLAT FACED FORWARD TRIGGER KIT POLYMER BLACK

[Handgun Parts](#) > [Trigger Group Parts](#) > [Trigger Parts](#) > [Triggers](#)

Nothing compares to the performance that comes from the patented Apex Forward Set Trigger Kit. This kit is engineered to provide the M&P M2.0 pistol owner with a smooth, consistent trigger pull with the advantages of shorter over-travel and shortened trigger reset. Using a combination of the Apex springs and factory sear and trigger return springs allows the user to set the trigger pull weight within a range suitable for duty/carry down to a weight desired for competition. Together, this drop-in trigger kit will: Expected Results: Reduce trigger pull weight by approximately 2 lbs. Reduce overall trigger travel by approximately 40% Reduce trigger pre-travel, over-travel and reset distance Smooth uptake and reset Crisp trigger break Center mounted pivoting safety maintains factory safety values Direct drop-in replacement parts, not fitting required Applicable to What Guns: For use in the Smith & Wesson M&P M2.0 (9mm/.40S&W/.45ACP), including the M&P M2.0 Compact, only. (Not for use in the original M&P, or in any M&P Shield models)

# Safety Instruction Guide for SMITH & WESSON M&P FLAT FACED TRIGGERS

## Introduction

Thank you for choosing the SMITH & WESSON M&P Flat Faced Triggers by APEX Tactical Specialties Inc. This guide provides important safety instructions and guidelines to ensure the safe use of your product. Please read this document carefully before installation and use.

## General Safety Guidelines

- Ensure proper handling and storage of the trigger kit to prevent accidental discharge.
- Always treat firearms as if they are loaded.
- Keep firearms pointed in a safe direction at all times.
- Store firearms and ammunition separately, in secure locations inaccessible to unauthorized users, especially children.
- Follow all local laws and regulations regarding firearm modifications and usage.
- Regularly inspect your firearm and trigger kit for wear or damage.
- Report any unsafe products or incidents to local authorities.

## Specific Safety Precautions for Use

- Only use the SMITH & WESSON M&P Flat Faced Trigger Kit with compatible models: Smith & Wesson M&P M2.0 (9mm/.40S&W/.45ACP), including the M&P M2.0 Compact.
- Do not attempt to install this trigger kit in any other models, including the original M&P or M&P Shield models.
- Ensure that the firearm is unloaded before performing any installation or maintenance.
- Follow all manufacturer instructions for installation to avoid potential hazards.
- Be aware that modifying your firearm may void warranties and could affect its reliability and safety.
- If you are inexperienced with firearm modifications, seek assistance from a qualified gunsmith.

## Instructions for Installation and Usage

### Installation Instructions

#### 1. Preparation:

- Ensure your workspace is clean and free of distractions.
- Gather necessary tools (screwdriver, punch tool, etc.) for installation.

#### 2. Unload the Firearm:

- Verify that the firearm is unloaded by checking the chamber and magazine.

#### 3. Remove the Factory Trigger:

- Follow the manufacturer's guidelines to safely disassemble the firearm.
- Carefully remove the factory trigger and sear from the firearm.

#### 4. Install the Apex Trigger Kit:

- Insert the Apex trigger and sear into the designated slots.
- Ensure that all components are seated properly and securely.

## **5. Reassemble the Firearm:**

- Follow the manufacturer's instructions to reassemble the firearm.
- Ensure all parts are correctly aligned and secured.

## **6. Function Check:**

- Perform a function check to ensure the trigger operates correctly.
- Verify that the safety features are functioning as intended.

## **Usage Instructions**

- Always follow safe handling practices when using your firearm.
- Practice regularly to become familiar with the new trigger pull characteristics.
- Be aware of the reduced trigger pull weight and adjust your handling accordingly.

## **Disposal Instructions**

- Dispose of any packaging materials in accordance with local waste disposal regulations.
- If the trigger kit is no longer in use, ensure it is disposed of safely to prevent unauthorized use.
- Consider recycling components where applicable.

## **Contact Information for Further Support**

For any questions or concerns regarding your SMITH & WESSON M&P Flat Faced Trigger Kit, please refer to the manufacturer's contact information provided with your product packaging. Always ensure you have the latest information regarding safety and product updates.

This safety instruction guide is designed to help you use your SMITH & WESSON M&P Flat Faced Trigger Kit safely and effectively. By following these guidelines, you contribute to a safer environment for yourself and others.
