

AICS SHORT ACTION PMAG 10 5.56AC - MAGPUL PMAG 10 5.56 AC 5.56/.223 10RD FOR SA AICS CHASSIS BLACK

[Magazines](#) > [Rifle Magazines](#) > [Magazines](#)

The PMAG 10 5.56 AC is a reliable and durable polymer 5.56x45 NATO (.223 Remington) magazine for short action AICS (Accuracy International Chassis Systems)-pattern bottom metal, including the Bolt Action Magazine Well for the Magpul Hunter family of stocks. Consisting of qualities that make all of their PMAGS the most reliable in the industry, the PMAG 10 5.56 AC features GEN M3™ technology, a self-lubricating follower, a stainless-steel spring, and constant-curve internal geometry for smooth feeding. An offset feed lip geometry maximizes bolt face engagement, guaranteeing a reliable feed. Like all Magpul bolt action magazines, it features a paint-pen dot matrix for visual identification and a flared base plate for positive control and ease of retrieval. Designed from the ground up to solve the challenges of feeding 5.56/.223, the PMAG 10 5.56 AC sets a new standard for bolt action magazine technology. Compatible with short action AICS-pattern bottom metal and 5.56x45 NATO/.223 Remington cartridges. Use with other calibers such as .300 AAC Blackout is not recommended. Accepts cartridge overall length (COAL) of up to 2.39" Single stack, constant-curve internal geometry with 10-round capacity Offset feed lip geometry designed to maximize bolt face engagement and optimize reliability Next-generation impact and crush resistant polymer construction Self-lubricating follower for increased reliability Long-life stainless-steel spring Paint pen dot matrix panels on the bottom of the body to allow for visual identification

AICS SHORT ACTION PMAG 10 5.56AC Safety Instructions

Introduction

Thank you for choosing the AICS SHORT ACTION PMAG 10 5.56AC by Magpul. This magazine is designed for reliable performance in short action AICS pattern firearms. To ensure safe and effective use, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always handle all firearms and magazines with care and respect.
- Ensure the magazine is empty before handling or installing it into a firearm.
- Store magazines in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the magazine for signs of wear or damage. Do not use if damaged.
- Use only compatible cartridges (5.56x45 NATO/.223 Remington). Using incorrect ammunition can lead to malfunctions or injury.
- Report any unsafe products or accidents to local authorities immediately.

Specific Safety Precautions for Use

- **Age Restrictions:** This product is intended for adult use. Keep out of reach of children.
- **Compatibility:** Only use with short action AICS pattern bottom metal. Using with incompatible systems may result in malfunction.
- **Loading and Unloading:** Always load and unload the magazine in a safe environment, away from others. Ensure the firearm is pointed in a safe direction.
- **Visual Inspection:** Before use, visually inspect the magazine for foreign objects or obstructions.
- **Avoid Modifications:** Do not modify the magazine. Alterations can compromise safety and functionality.

Instructions for Installation and Usage

1. Loading the Magazine:

- Ensure the magazine is clean and free from debris.
- Hold the magazine with the feed lips facing up.
- Insert cartridges one at a time, ensuring they are seated properly.
- Do not overload the magazine beyond its 10 round capacity.

2. Installing the Magazine:

- Ensure the firearm is pointed in a safe direction and is unloaded.
- Align the magazine with the magazine well of the firearm.
- Push the magazine firmly into place until it clicks.
- Confirm the magazine is securely attached before proceeding.

3. Using the Magazine:

- Fire the firearm according to the manufacturer's instructions.
- After firing, if the magazine needs to be removed, ensure the firearm is pointed in a safe direction.
- Press the magazine release button and remove the magazine.

4. Unloading the Magazine:

- Remove the magazine from the firearm.
- Carefully unload each cartridge by pushing it out from the top.
- Store the magazine in a safe location once unloaded.

Disposal Instructions

- Dispose of the magazine in accordance with local regulations.
- If the magazine is damaged or no longer functional, do not attempt to repair it.
- Recycle materials where possible, following local guidelines for plastic and metal disposal.

Contact Information for Further Support

For any questions regarding the safety and use of the AICS SHORT ACTION PMAG 10 5.56AC, please consult your local firearms dealer or the manufacturer's website for more information.
