Safety Instruction Guide for SURESHELL ALUMINUM CARRIERS

Introduction

Thank you for choosing the SURESHELL ALUMINUM CARRIERS from MESA TACTICAL PRODUCTS. This product is designed to provide a rugged solution for carrying extra ammunition securely on your weapon. To ensure your safety and the safe use of this product, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as a shotgun shell holder.
- Always keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the carrier for any signs of damage or wear before use.
- If any part of the carrier is damaged, discontinue use immediately and replace it.
- Follow all local laws and regulations regarding the use and storage of ammunition and firearms.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before attaching or removing the SURESHELL ALUMINUM CARRIER.
- Do not exceed the recommended capacity of 4 rounds to avoid potential malfunctions.
- Be aware of your surroundings and ensure that the carrier is secure during use to prevent accidental discharge.
- Avoid exposing the carrier to extreme temperatures or harsh chemicals that may affect its integrity.
- Use caution when handling ammunition, and store it in a safe and secure location.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is completely unloaded.
- Position the SURESHELL ALUMINUM CARRIER on the desired location of your weapon.
- Secure the carrier using the provided mounting hardware, ensuring it is tightly fastened.
- Doublecheck that the carrier is firmly attached before use.

2. Usage:

- Load up to 4 rounds of 12 gauge ammunition into the carrier.
- Ensure that the ammunition is seated properly and securely in the carrier.
- When ready to use, ensure that the firearm is pointed in a safe direction.
- After use, remove any remaining ammunition from the carrier and store it safely.

Disposal Instructions

- Dispose of any damaged components in accordance with local regulations.
- When disposing of the carrier, ensure that it is not accessible to children or unauthorized individuals.
- Recycle materials where possible, following local recycling guidelines.

Contact Information for Further Support

For any questions or concerns regarding the SURESHELL ALUMINUM CARRIERS, please refer to the manufacturer's contact information provided with the product packaging or on the official website.

Please keep this safety instruction guide for future reference. Your safety is our priority.
