# Safety Instruction Guide for SURESHELL ALUMINUM CARRIERS

## Introduction

Thank you for choosing the SURESHELL ALUMINUM CARRIERS by MESA TACTICAL PRODUCTS. This product is designed to provide a rugged solution for packing extra ammunition on your Mossberg 500/590/MAV 88 shotgun. To ensure your safety and the optimal use of this product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- This product is designed for use with 20 gauge shotguns only.
- Always ensure that the shotgun is unloaded before attaching or removing the carrier.
- Regularly inspect the aluminum carrier for any signs of wear or damage.
- Keep the product out of reach of children and unauthorized users.
- Store ammunition in a safe and secure manner, separate from the firearm.
- Report any unsafe products or incidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always handle firearms with care and follow all safety protocols.
- Ensure that the carrier is securely attached to the shotgun before use.
- Do not exceed the recommended capacity of 6 rounds.
- Avoid using the carrier in extreme temperatures or harsh environments that may affect its integrity.
- Never modify the carrier or use it for purposes other than intended.
- If you experience any difficulty during use, stop immediately and seek assistance.

## Instructions for Installation and Usage

### 1. Installation

- Ensure the shotgun is unloaded.
- Align the aluminum carrier with the designated mounting area on your Mossberg 500/590/MAV 88.
- Secure the carrier using the provided mounting hardware, ensuring it is tightly fastened.
- Doublecheck that the carrier is stable before proceeding.

### 2. Usage

- Load the carrier with a maximum of 6 rounds of 20 gauge ammunition.
- When ready to use, ensure that the shotgun is pointed in a safe direction.
- To access ammunition, gently pull the rounds from the carrier while maintaining control of the firearm.
- After use, remove any remaining ammunition and store it safely.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling the aluminum carrier if applicable.

## **Contact Information for Further Support**

For any inquiries regarding safety or product performance, please refer to the EU contact point specific to this product.

Thank you for your attention to these safety guidelines. Your safety and satisfaction are our top priorities.
