

AR-15 SPECIAL OPS BATTERRAILS LOW PROFILE M-LOK 9MM - TROY INDUSTRIES 4.5 SPECIAL OPS BATTERRAIL LOW PROFILE M- LOK FDE

[Rifle Parts](#) > [Build Kits](#) > [Handguards & Rails](#)

Troy's BattleRails with M-LOK® cooling holes are narrow, sleek and provide exceptional balance and controllability. Lightweight with an ultra-low profile, snag-free design, they are ideal for close quarters maneuverability. Machined from hardened aircraft aluminum with stainless steel components and finished in Mil-Spec hardcoat anodizing, they mount to a standard barrel nut.

AR15 SPECIAL OPS BATTERRAILS LOW PROFILE MLOK Safety Instruction Guide

Introduction

Thank you for choosing the AR15 SPECIAL OPS BATTERRAILS LOW PROFILE MLOK. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your product. Please read this manual thoroughly before installation or use.

General Safety Guidelines

- Always ensure that the product is suitable for your specific firearm model.
- Inspect the product for any damage or defects before installation.
- Follow all local laws and regulations regarding firearm accessories.
- Keep the product out of reach of children and unauthorized users.
- Report any unsafe products or incidents to the appropriate authorities.
- Check for recall updates regularly on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before attaching or removing the BattleRails.
- Do not exceed the manufacturer's recommended weight limits for accessories mounted on the BattleRails.
- Avoid using the product in extreme conditions that may affect its integrity.
- Be aware of the potential for heat buildup during use, especially with rapid fire.
- Always wear appropriate safety gear, including eye protection, when handling firearms.

Instructions for Installation and Usage

Installation

1. Preparation

- Ensure that your firearm is unloaded and pointed in a safe direction.
- Gather necessary tools: a standard barrel nut wrench and a torque wrench.

2. Remove Existing Handguard

- Use the barrel nut wrench to remove the existing handguard from your AR15.
- Clean the barrel nut area to remove any debris or old lubricant.

3. Install the BattleRails

- Align the BattleRails with the mounting points on the barrel nut.
- Securely attach the BattleRails by following the manufacturer's torque specifications.
- Ensure that the BattleRails are flush against the firearm and do not wobble.

4. Final Checks

- Doublecheck all screws and fittings to ensure they are tight and secure.
- Inspect the installation for any misalignment or issues.

Usage

- Familiarize yourself with the BattleRails and how they affect the handling of your firearm.
- Practice safe firearm handling at all times.
- Regularly inspect the BattleRails for signs of wear or damage.

Disposal Instructions

- Dispose of any damaged or nonfunctional components in accordance with local waste management regulations.
- Do not dispose of the product in regular household waste if it contains hazardous materials.
- Consider recycling options for aluminum components where available.

Contact Information for Further Support

For any safety inquiries or further support, please refer to the manufacturer's contact details provided with your product packaging.

By following these guidelines and instructions, you can ensure the safe and effective use of your AR15 SPECIAL OPS BATTERRAILS LOW PROFILE MLOK. Thank you for prioritizing safety.
