

# AR-15 STONER 63 LMG A2 FLASH HIDER 1/2-28 - FORWARD CONTROLS DESIGN AR-15 STONER 63 LMG A2 FLASH HIDER 1/2-28

[Rifle Parts](#) > [Muzzle Devices](#) > [Flash Hiders](#)

Precision machined from solid 4130 or 4140 bar stock and black nitrided, it is probably the finest A2 style comp/flash suppressor ever produced. Its 3 and 9 o'clock ports are 25% smaller (shorter and narrower) than the other three upward facing ports so more gas is vented through the upward facing ports, it is a superior compensator to the A2, its flash suppression is equal to that of an A2. 6315 is compatible with M16 BFA and most A2 mounted sound suppressors. Note that since 6315 does have flash suppression capability equal to that of an A2, it is to be treated as a flash suppressor for states that feel threatened by them, such as CA, MA and NY. Threaded for 1/2x28. 6315 is a light and short blended performance muzzle device. It features shorter and smaller 3 and 9 o'clock ports to direct gas upward, this provides 15 to 20% better muzzle rise compensation than the A2, and what is impressive is that it does so without sacrificing its flash suppression capabilities or creating more noise and concussion. The number 63 in its name pays homage to the Stoner 63 light machine gun, the shape of its ports draws heavily from the Stoner 63 LMG's flash suppressor design. A crush washer is included Proudly designed and made in USA Compact A2 sized 1/2x28 threaded flash suppressor/compensator Improved muzzle rise compensator capabilities

# Safety Instruction Guide for AR15 STONER 63 LMG A2 FLASH HIDER 1/228

## Introduction

Thank you for choosing the AR15 STONER 63 LMG A2 FLASH HIDER 1/228. This product is designed to enhance your shooting experience while providing effective flash suppression and muzzle rise compensation. To ensure safe and effective use, please read this safety instruction guide carefully.

## General Safety Guidelines

- Always follow the manufacturer's instructions for installation and use.
- Ensure that the flash hider is compatible with your firearm before installation.
- Regularly inspect the flash hider for signs of wear or damage.
- Store the product in a safe, dry location away from children and unauthorized users.
- Report any unsafe products or incidents to local authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Hazard Identification:**
  - Improper installation may lead to malfunction or damage to your firearm.
  - Using the flash hider in a manner not intended by the manufacturer can pose safety risks.
- **Avoiding Hazards:**
  - Ensure the firearm is unloaded before installation or maintenance.
  - Use appropriate tools to install the flash hider securely.
  - Do not use the flash hider if it shows signs of damage or excessive wear.
  - Always wear appropriate eye and ear protection when shooting.
- **Age Restrictions:**
  - This product is intended for use by individuals aged 18 and over. Ensure that younger individuals are supervised when handling firearms and related accessories.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded.
- Use a proper wrench to remove the existing muzzle device if applicable.
- Clean the threaded area of the barrel to remove any debris.
- Align the flash hider with the barrel and thread it on clockwise.
- Use a crush washer to secure the flash hider in place, ensuring it is tight but not overtorqued.
- Check alignment and make adjustments if necessary.

### 2. Usage:

- Always ensure the flash hider is securely attached before firing.
- Aim the firearm in a safe direction when firing.
- Be aware of your surroundings and ensure that no one is in the line of fire.
- Monitor the performance of the flash hider during use and check for any unusual sounds or behavior.

## **Disposal Instructions**

- Dispose of the flash hider in accordance with local regulations.
- Do not dispose of in regular household waste if it is damaged or contains hazardous materials.
- Check with local authorities for proper disposal methods for firearm accessories.

## **Contact Information for Further Support**

For any inquiries or additional support regarding the AR15 STONER 63 LMG A2 FLASH HIDER 1/228, please refer to the manufacturer's website or customer service for assistance.

Thank you for your attention to these safety instructions. Enjoy your product responsibly and safely.
