

AR-15 ENLARGED TRIGGERGUARD - FORWARD CONTROLS DESIGN

AR-15 ENLARGED TRIGGERGUARD BLACK

[Rifle Parts](#) > [Triggers Parts](#) > [Trigger Guards](#)

TGF (Trigger Guard, Forward Controls) Winter, BLK is machined from 7075 aluminum and Type III anodized black, it does not have a spring-loaded detent for the front, but use a set screw like Magpul's, and a standard trigger guard roll pin in the rear. We retained the use of roll pin for TGF's rear, as it's reliable and robust, it also will not loosen. The front set screw is flush with the receiver and doesn't protrude. Both versions feature a canted front edge to make rocking the magazine into the mag well easier. The winter version has as much constant/unchanged space from the trigger bow forward as possible (instead of the space inside tapering and decreasing as the trigger guard nears the receiver's front trigger guard holes). The space to the rear of the trigger bow is inaccessible for the user's finger, so it's kept small and low. TGF is designed for use with TDP spec forged lower receivers, and fills the gap forward of the pistol grip, between the trigger guard "ears" (note that TGF will not swing down like TDP spec trigger guards). All the sharp edges and corners have been removed. TGF is proudly designed and made in the USA. A trigger guard roll pin and set screw (for the front) are included. A 1/16 Allen wrench is required (not included). 7075 billet trigger guard for AR-15/M16 Enlarged space for gloved trigger finger Hard coat Type III anodized black Includes Set screw and roll pin Color: Black, FDE, or OD Green

Attributes

- Name: [FORWARD CONTROLS DESIGN AR-15 ENLARGED TRIGGERGUARD BLACK](#)
- Manufacturer: [FORWARD CONTROLS DESIGN](#)
- Product no.: 100044417
- Mfr. No.: TGF, WINTER, BL
- Finish: Black
- Weapon type: AR-15
- Delivery weight: 0.025kg
- Shipping height: 38mm
- Shipping width: 89mm
- Shipping length: 140mm
- UPC: 683828757433

Item details

Made in USA

AR15 Enlarged Triggerguard Safety Instruction Guide

Introduction

Thank you for choosing the AR15 Enlarged Triggerguard from Forward Controls Design. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of this product. Please read this manual carefully before installation and use.

General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Always follow the manufacturer's instructions for installation and usage.
- Regularly inspect the trigger guard for any signs of wear or damage.
- Keep the product out of reach of children and vulnerable individuals.
- In case of any issues or concerns, seek professional assistance.

Specific Safety Precautions for Use

- **Potential Hazards:**

- Improper installation may lead to malfunction or injury.
- Using the product with incompatible firearms may pose safety risks.
- Failure to secure the set screw properly can result in the trigger guard detaching.

- **Avoiding Hazards:**

- Always ensure the firearm is unloaded before installation or maintenance.
- Use appropriate tools and follow the installation instructions precisely.
- Do not modify the trigger guard or use it in a manner not specified by the manufacturer.

- **AgeSpecific Warnings:**

- This product is not intended for use by individuals under the age of 18 without adult supervision.
- Ensure that all users are trained and knowledgeable about firearm safety.

Instructions for Installation and Usage

1. Installation:

- Gather the necessary tools, including a 1/16 Allen wrench (not included).
- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing trigger guard, if applicable.
- Position the AR15 Enlarged Triggerguard in place.
- Secure the rear with the standard trigger guard roll pin.
- Use the set screw at the front to secure the trigger guard in place; ensure it is flush with the receiver and does not protrude.
- Check that the trigger guard is firmly attached and does not move.

2. Usage:

- Ensure the firearm is always pointed in a safe direction when handling.
- Familiarize yourself with the trigger guard's features, including the enlarged space for gloved

fingers.

- Regularly check the tightness of the set screw and roll pin during routine maintenance.

Disposal Instructions

- Dispose of the product responsibly according to local regulations.
- Do not dispose of the trigger guard in regular household waste.
- Contact your local waste management authority for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or further support regarding the AR15 Enlarged Triggerguard, please refer to the manufacturer's contact information provided in the product packaging or on their official website.

By adhering to these safety instructions, you ensure not only your safety but also the safe operation of your firearm. Thank you for your attention to these important guidelines.
