

AR-15 HANDGUARDS M-LOK 5.56MM - FORWARD CONTROLS DESIGN AR-15 HANDGUARD 11.5IN. M-LOK BLACK

[Rifle Parts](#) > [Build Kits](#) > [Handguards & Rails](#)

AR-15 HANDGUARDS M-LOK 5.56MM RHF (Railed Handguard, Forward Controls) is based on the superb CMT UHPR Mod2, with full length 1913 rails at 12 o'clock, and MLOK at 3, 6, and 9 o'clock. RHF is machined from 6000 series extruded aluminum, its barrel nut is machined from 7075 aluminum, both are Type 3 anodized, while the rail mounting hardware is machined from 17-4 PH (patent pending). RHF also incorporates anti-rotation tabs. RHF's inside diameter is 1.315" and compatible with most low-profile gas blocks. Barrel nut diameter is 1.378", barrel nut wrench is included. SPECS: Barrel nut torque: milspec 40-70ft/lbs Rail clamp screws torque: 45 inc/lbs. AR15/M16 free float handguards Full length 1913 rail at 12 o'clock MLOK at 3, 6 and 9 o'clock Available lengths: 6.7", 12.7" and 13.7". Weight by length: .45 lb, .7 lb and .725 lb RHF incorporates design input from Forward Controls, the changes include: Barrel cooling vents changed to the classic round shape. One might say they're paying homage to Knight's Armament's RAS and RIS where meaningful modular revolution began. Simplification of the already understated aesthetics of the CMT UHPR Mod 2 handguard.

Safety Instruction Guide for AR15 Handguards MLOK 5.56MM

Introduction

Thank you for choosing the AR15 Handguards MLOK 5.56MM by Forward Controls Design. This product has been designed with safety and performance in mind. To ensure a safe and satisfactory experience, please carefully read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always ensure that the handguard is properly installed and securely fastened before use.
- Regularly inspect the handguard for any signs of damage or wear. Do not use if damaged.
- Store the handguard in a safe, dry place when not in use, away from children and pets.
- Follow all local laws and regulations regarding firearm modifications and accessories.
- Be aware of your surroundings and handle firearms responsibly at all times.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before installing or adjusting the handguard.
- Use appropriate tools as specified in the installation instructions to avoid injury.
- Avoid placing excessive weight or pressure on the handguard during use.
- Do not modify the handguard or any of its components, as this may compromise safety and performance.
- If you experience any unusual behavior or performance issues with the handguard, discontinue use immediately and consult a professional.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded.
- Remove the existing handguard if applicable.
- Align the new handguard with the mounting points on the firearm.
- Secure the handguard using the provided barrel nut and wrench. Torque the barrel nut to the specified 4070 ft/lbs.
- Attach the rail clamp screws and torque to 45 in/lbs.
- Verify that the handguard is securely fastened and does not rotate.

2. Usage:

- Always handle the firearm with care and respect.
- Ensure that the handguard is free of obstructions before firing.
- Maintain a proper grip and stance when using the firearm to ensure stability.
- Regularly clean and maintain the handguard according to the manufacturer's recommendations.

Disposal Instructions

- Dispose of the handguard in accordance with local regulations regarding electronic and metal waste.
- Do not dispose of the handguard in regular household waste.
- If the handguard is damaged, contact local authorities or recycling centers for proper disposal methods.

Contact Information for Further Support

For further assistance or safety inquiries, please contact the manufacturer or visit their website for support. Ensure that you have the product information ready for reference.

By following these guidelines and instructions, you can help ensure a safe and enjoyable experience with your AR15 Handguards MLOK 5.56MM. Thank you for your attention to safety.
