

QD SLING SWIVEL MOUNT M-LOK - FORWARD CONTROLS DESIGN

QD SLING SWIVEL MOUNT M-LOK

[Shooting Accessories](#) > [Slings & Sling Swivels](#) > [Tactical Sling Mounts](#)

The M-LOK QD swivel sling adapter is not unlike other MLOK sling adapters in the market, except MSQ-H (M-LOK, Sling adapter, QD, Heavy) is billet machined in 4140, and black nitrided. MSQ-H is the first of several collaborations between Forward Controls Design and Sons of Liberty Gunworks. It is based on an existing product from Arson Machine. Heavier than the aluminum sling adapters, it is also stronger (4140 tensile strength is 95,000psi, vs 7075 T6 tensile strength of 73,000psi, and 6061 yield strength of 40,000), we gladly accept the tradeoff for better durability. MSQ-H weighs in at 0.867oz. It's not meant to be light; it is meant to be durable. MSQ-H's QD swivel socket is rotation limited, MLOK mounting hardware is included. As with all Forward Controls products, MSQ-H is proudly made in the USA. Billet machined 4140 steel Low profile M-LOK compatible sling adapter QD sling swivels

Attributes

- Name: [FORWARD CONTROLS DESIGN QD SLING SWIVEL MOUNT M-LOK](#)
- Manufacturer: [FORWARD CONTROLS DESIGN](#)
- Product no.: 100044431

QD Sling Swivel Mount MLOK Safety Instruction Guide

Introduction

Thank you for choosing the QD Sling Swivel Mount MLOK from Forward Controls Design. This product is designed for durability and strength, ensuring safe and effective use in tactical applications. Please read this safety instruction guide carefully to ensure proper use and maintenance of the product.

General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Regularly inspect the sling mount for any signs of wear or damage.
- Do not exceed the weight limit specified for the QD sling swivel.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Stay informed about product recalls via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always ensure that the QD sling swivel is securely attached before use.
- Avoid using the sling mount with incompatible equipment or accessories.
- Do not modify the sling mount in any way, as this may compromise safety.
- Use only original parts and accessories recommended by Forward Controls Design.
- Be cautious when using the sling mount in adverse weather conditions, as this may affect performance.

Instructions for Installation and Usage

1. Installation:

- Ensure that the mounting surface is clean and free from debris.
- Align the QD sling swivel mount with the MLOK slots on your equipment.
- Use the provided MLOK mounting hardware to secure the sling mount firmly.
- Tighten the screws to the manufacturer's recommended torque specifications.

2. Usage:

- Attach your sling to the QD swivel by pressing the release button and inserting the swivel into the socket.
- Ensure the swivel is locked in place before applying any load.
- Regularly check the attachment points during use to ensure they remain secure.
- When not in use, store the sling mount in a dry and safe location to prevent damage.

Disposal Instructions

- When the QD Sling Swivel Mount MLOK reaches the end of its life cycle, dispose of it responsibly.
- Check local regulations for proper disposal methods for metal and plastic materials.
- Do not dispose of the product in regular household waste.

Contact Information for Further Support

For any questions or concerns regarding the QD Sling Swivel Mount MLOK, please refer to the manufacturer's

website or contact their customer support for assistance.

Thank you for prioritizing safety and adhering to these guidelines. Enjoy your QD Sling Swivel Mount MLOK responsibly!
