## G10 DIMPLED RAIL COVER SHORT 3.2IN. M-LOK

[Rifle Parts](#) > [Forend & Handguard Parts](#) > [Handguard & Rail Accessories](#) > [Rail Covers](#)

MCF (MLOK Cover, Forward Controls) is a collaboration between Railscales and Forward Controls Design. Machined in G10, with the AA surface (All Angles, or dimpled) pattern we developed for our bolt catch (ABC/R), forward assist (LDFA), ambidextrous magazine release (EMR-A). The AA concept was not developed for aesthetics, but as a versatile surface that offers equal traction from all angles of approach (thus the AA designation). The AA surface can hardly find a better application than hand guard rail covers, where a user's hand can have multiple angles of approach and hold the hand guard in different ways. The AA pattern on the MCF is made of two dimple sizes and depths, a series of large perforations / drain holes are drilled along its length in the middle row of dimples. MCF is available in two lengths: MCF-S (short, 3.2", covers 2 MLOK slots) and MCF-L (long, 4.7", covers 3 MLOK slots), both come standard with MLOK mounting hardware. Width: 0.600" Thickness: 0.125" Length: Long 4.7" Weight: 0.48oz per panel 416 stainless nuts 3/32 Allen key required (not included) Each package of MCF contains one M-LOK cover Machined G10 MLOK hand guard cover Size: 3.2" or 4.7" 2 M-LOK or 3 M-LOK slots

### Attributes

- Name: [FORWARD CONTROLS DESIGN G10 DIMPLED RAIL COVER SHORT 3.2IN. M-LOK](#)
- Manufacturer: [FORWARD CONTROLS DESIGN](#)
- Product no.: 100044433
- Mfr. No.: MCFSMLOKPAN
- Colour: Black
- Length: 3.2
- Material: Composite
- Style: M-LOK
- Delivery weight: 0.018kg
- Shipping height: 13mm
- Shipping width: 102mm
- Shipping length: 178mm
- UPC: 682157948604

# G10 DIMPLED RAIL COVER MLOK SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the G10 DIMPLED RAIL COVER MLOK by Forward Controls Design. This product is designed to enhance the functionality of your hand guard while ensuring safety and usability. Please read this safety instruction guide carefully to ensure safe and proper use of the product.

## General Safety Guidelines

- **Product Safety:** Ensure safe use of the G10 DIMPLED RAIL COVER. This product is intended for nonfood use and is designed to meet safety standards.
- **Enhanced Recalls:** In the event of a safety concern, standardized recall notices will be issued. Please stay informed about any updates.
- **Online Shopping:** If purchased online, ensure that the seller complies with EU safety requirements.
- **Special Consumer Focus:** Extra precautions should be taken if the product is used near children. Always supervise children around this product.
- **EU Contact Point:** For safety inquiries, refer to the designated EUbased contact point provided by the manufacturer.
- **Rapid Alerts:** Stay updated on product safety via the EU's Safety Gate system.

## Specific Safety Precautions for Use

- **Potential Hazards:**
  - Sharp edges: The product may have sharp edges from machining. Handle with care.
  - Improper installation: Ensure that the rail cover is installed correctly to avoid accidents during use.
- **Instructions for Avoiding Hazards:**
  - Always inspect the product for damage before use.
  - Use the recommended tools for installation to prevent injury.
  - Do not use excessive force when installing or adjusting the rail cover.
  - Ensure that the rail cover is securely attached before handling the firearm.

## Instructions for Installation and Usage

### 1. Installation:

- Gather required tools: 3/32 Allen key (not included).
- Ensure the firearm is unloaded and safe to work on.
- Align the G10 DIMPLED RAIL COVER with the desired MLOK slots on the hand guard.
- Insert the MLOK mounting hardware into the slots.
- Use the Allen key to tighten the hardware securely, ensuring the rail cover is firmly attached.

### 2. Usage:

- Always maintain proper grip on the hand guard while using the firearm.
- Be mindful of the positioning of your hands to avoid slipping.
- Regularly check the tightness of the rail cover to ensure it remains secure during use.

## **Disposal Instructions**

- Dispose of the G10 DIMPLED RAIL COVER in accordance with local regulations.
- Do not dispose of the product in household waste.
- Consider recycling options for composite materials where available.

## **Contact Information for Further Support**

For any safety inquiries or further assistance, please refer to the manufacturer's contact point as indicated in the product packaging or documentation.

Thank you for your attention to these safety guidelines. Your safety and satisfaction are our top priorities.
