SIG SAUER MPX Trigger Safety Instruction Guide

Introduction

Thank you for choosing the SIG SAUER MPX Trigger by Timney. This singlestage curved trigger is designed to enhance your shooting accuracy while ensuring safety during use. Please read this safety instruction guide carefully to understand how to use and maintain your trigger safely.

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Keep your finger off the trigger until you are ready to shoot.
- Store your firearm and ammunition securely, out of reach of children and unauthorized users.
- Be aware of your surroundings and ensure that your shooting area is safe.
- Do not use the trigger if it appears damaged or malfunctioning.
- Regularly inspect your firearm and trigger for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm use and ownership.

Specific Safety Precautions for Use

- Ensure that the trigger is compatible with your specific model of the SIG SAUER MPX.
- Only use the trigger with the original hammer/trigger pins and safety components.
- Do not attempt to modify or alter the trigger in any way.
- Use the trigger only for its intended purpose; do not use it for any other type of firearm.
- If you experience any issues or malfunctions while using the trigger, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

Installation Instructions

1. Ensure that your firearm is unloaded and that the safety is engaged.
2. Remove the existing trigger assembly from your SIG SAUER MPX according to the manufacturer's instructions.
3. Carefully insert the Timney singlestage curved trigger into the trigger housing.
4. Align the trigger with the original hammer/trigger pins and safety components.
5. Secure the trigger assembly in place, ensuring that it is properly seated.
6. Test the trigger to ensure it functions correctly before using the firearm.

Usage Instructions

- Familiarize yourself with the trigger's operation before shooting.
- The trigger is factorytuned to a 4.5 lb. pull weight. Do not attempt to adjust this setting.
- Practice shooting in a safe and controlled environment to become accustomed to the trigger's feel.
- Always follow safe shooting practices while using your firearm equipped with the Timney trigger.

Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If you need to dispose of the trigger itself, consult with your local waste management authority for proper disposal methods.
- Do not throw the trigger in regular household waste.

Contact Information for Further Support

For any questions or concerns regarding the SIG SAUER MPX Trigger, please consult your retailer or authorized dealer for assistance. Additionally, you can check for any safety recalls or updates on the EU Safety Gate platform.

Thank you for prioritizing safety while using your SIG SAUER MPX Trigger. Enjoy your shooting experience responsibly!
