RCBS Rebel Single Stage Press Safety Instruction Guide

Introduction

Thank you for choosing the RCBS Rebel Single Stage Press. This guide provides essential safety instructions and information to ensure the safe and effective use of your press. Please read this manual carefully before use to familiarize yourself with the product and its safety precautions.

General Safety Guidelines

- Ensure that the press is used only for its intended purpose, which is reloading ammunition.
- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when using the press.
- Keep the workspace clean and organized to prevent accidents.
- Ensure that children and pets are kept away from the work area during operation.
- Report any unsafe products or accidents to the relevant authorities immediately.
- Regularly check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Before using the press, read and understand the operating instructions.
- Inspect the press for any signs of damage or wear before each use. Do not use if damaged.
- Ensure that the press is securely mounted to a stable surface to prevent tipping or movement during operation.
- Use only compatible components and materials recommended by the manufacturer.
- Avoid wearing loose clothing or jewelry that could become caught in moving parts.
- Do not attempt to modify or alter the press in any way.
- Keep hands and other body parts clear of moving components during operation.
- If you experience any difficulties while using the press, stop immediately and consult the troubleshooting section of the manual.

Instructions for Installation and Usage

1. Installation:

- Select a sturdy workbench or table that can support the weight of the press.
- Use bolts or screws to securely mount the press to the work surface.
- Ensure that the press is level and stable before use.

2. Usage:

- Prepare your workspace by gathering all necessary materials and tools.
- Follow the manufacturer's instructions for setting up the press and adjusting settings.
- Load the press with the appropriate components, ensuring they are properly seated.
- Operate the press with a steady and controlled motion, avoiding sudden movements.
- After use, clean the press according to the manufacturer's guidelines to maintain its performance.

Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If the press becomes damaged beyond repair, dispose of it in a manner that complies with local waste disposal regulations.

- Recycle any metal components where possible.

Contact Information for Further Support

For any inquiries regarding safety, usage, or maintenance of the RCBS Rebel Single Stage Press, please refer to the manufacturer's website or contact your local distributor for assistance. Always ensure that you have the latest information regarding safety updates and product recalls.

By following these safety instructions, you can ensure a safe and effective reloading experience with your RCBS Rebel Single Stage Press. Thank you for your attention to safety and for choosing our product.
