## HELLFIRE 2P MUZZLE BRAKE, BLACK

[Rifle Parts](#) > [Muzzle Devices](#) > [Compensators & Muzzle Brakes](#)

### Optimized Brake for Barrels of 20 or Less

The Area 419 HELLFIRE 2P Muzzle Brake is designed to provide an optimized brake for Semi-Automatic and/or hunting weapons systems with barrels of 20" or less. This brake will offer the greatest performance possible while maintaining shooter comfort. The HELLFIRE is extremely easy to install, and the brake will not turn as you torque the collar to lock. Simple round knurled nut that requires no tools to time the brake. Made from heat treated 17-4PH Stainless Steel Brakes will be available in Black Nitride finish (all universal adapters will be black) Manufactured on state of the art CNC Machines right here in NW Ohio. 100% Made in USA. 1" OD Brake, 1.1" OD collar (meets 3-Gun standard for limited class) Brake assembly will add 2.6" from the thread shoulder (approx 2" added to OAL of barrel) Slightly rearward facing ports offer the ideal balance of recoil reduction and shooter comfort. A proprietary port design controls muzzle rise without the use of top porting. The face of the HELLFIRE brake is engraved with caliber to indicate the top for correct orientation, and a horizontal line to aid in leveling.

# HELLFIRE 2P Self Timing Muzzle Brake Safety Instructions

## Introduction

Thank you for choosing the Area 419 HELLFIRE 2P Muzzle Brake. This product is designed for use with semiautomatic and hunting weapons systems with barrels of 20 inches or less. This safety instruction guide provides essential information to ensure the safe and effective use of the muzzle brake, in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that you are familiar with local laws and regulations regarding the use of muzzle brakes and firearms.
- Always handle firearms with care and treat every firearm as if it is loaded.
- Keep the muzzle brake out of reach of children and unauthorized persons.
- Inspect the muzzle brake before each use to ensure it is in good condition.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about recalls and safety updates via the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when using firearms equipped with a muzzle brake.
- Ensure that the muzzle brake is properly installed and secured before use.
- Do not exceed the manufacturer's recommended specifications for ammunition and firearm use.
- Avoid using the muzzle brake in environments where it may pose a risk to others.
- Be aware of the potential for increased noise and recoil when using the muzzle brake.
- Do not modify the muzzle brake in any way that could affect its performance or safety.

## Instructions for Installation and Usage

### Installation

1. **Preparation:** Ensure that the firearm is unloaded and pointed in a safe direction.
2. **Remove Existing Muzzle Device:** If applicable, remove any existing muzzle device from the firearm.
3. **Clean Threads:** Clean the threads on the firearm barrel to ensure a secure fit.
4. **Install the Muzzle Brake:**
  - Align the muzzle brake with the threads on the barrel.
  - Handtighten the muzzle brake onto the barrel until snug.
5. **Timing the Brake:**
  - Use the round knurled nut to time the brake without the need for tools.
  - Ensure that the brake is oriented correctly, using the engraved caliber indicator and horizontal line for leveling.
6. **Final Check:** Once installed, ensure that the muzzle brake is secure and does not rotate when torquing the collar.

### Usage

- When ready to shoot, ensure that the firearm is aimed in a safe direction.
- Fire the weapon according to standard operating procedures for your specific firearm.
- After use, check the muzzle brake for any signs of wear or damage.

## Disposal Instructions

- Dispose of the muzzle brake according to local regulations regarding metal waste.
- Do not dispose of the muzzle brake in regular household waste.
- Contact local waste management authorities for guidance on proper disposal methods.

## Contact Information for Further Support

For any questions or concerns regarding the HELLFIRE 2P Muzzle Brake, please contact the manufacturer or refer to the product documentation for further support.

Thank you for your attention to these safety instructions. Enjoy the enhanced performance and comfort of your HELLFIRE 2P Muzzle Brake.
