### A Weight-Tuning ArcaLock Rail System

Since the introduction of the ArcaLock rail system in 2018, precision shooters have flocked to this incredibly versatile mounting system. With its growing popularity, the team at Area 419 has also seen the popularization of rifle-weight kits designed for use on ArcaLock rails. Now, they've come up with an enhanced option for you with their 14.25-inch Universal ArcaLock Rail and Tunable Weight System. This Area 419 Universal ArcaLock Rail and Tunable Weight System is anticipated to fit most Manners PRS1, T2A, T2A GAP, T4A, T4A TEAM and T5A stocks on the market. You'll also get all the T-nut hardware needed to create additional attachment points if your OEM attachment points don't line up with the system's mounting slots. The rail alone weighs a bit more than 6 ounces, and there are five weights included, each adding 3.5 ounces to the overall rail system. The additional weights are machined from raw brass, while the ArcaLock Rail itself, measuring .400-inch thick, features a black anodized finish.

### Attributes

- Name: [AREA 419 WEIGHT TUBEABLE ARCALOCK RAIL W/WEIGHTS](#)

# Safety Instruction Guide for the Universal WeightTuneable ArcaLock Rail Area 419 Weight Tubeable ArcaLock Rail w/Weights

## Introduction

Thank you for choosing the Universal WeightTuneable ArcaLock Rail by Area 419. This product is designed for precision shooters, enhancing your shooting experience with its versatile mounting system. To ensure safe and effective use, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Always inspect the product before use. Check for any signs of damage or wear.
- Ensure that the rail and weights are securely attached before using your firearm.
- Keep the product out of reach of children and vulnerable individuals.
- Use the product only for its intended purpose. Improper use may lead to accidents or injuries.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about product recalls and safety updates through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Weight Handling:** The rail weighs a bit more than 6 ounces, and each of the five weights adds 3.5 ounces. Ensure the total weight does not exceed your firearm's specifications.
- **Installation:** Follow all installation instructions carefully to avoid misalignment, which could affect the stability of your firearm.
- **Compatibility:** This product is designed to fit most Manners PRS1, T2A, T2A GAP, T4A, T4A TEAM, and T5A stocks. Verify compatibility before use.
- **Secure Attachment:** Ensure that all Tnut hardware is properly installed and tightened to prevent detachment during use.
- **Anodized Finish:** The rail features a black anodized finish. Avoid using harsh chemicals that may damage the finish.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools, including the Tnut hardware provided.
- Ensure the firearm is unloaded and pointed in a safe direction.

### 2. Installation:

- Align the Universal ArcaLock Rail with the desired mounting points on your stock.
- Insert the Tnuts into the mounting slots on the rail.
- Secure the rail by tightening the Tnut hardware until snug. Do not overtighten, as this may strip the threads.

### 3. Weight Addition:

- Each weight adds 3.5 ounces. Attach weights as needed to achieve the desired balance.
- Ensure that weights are securely fastened before use.

### 4. Usage:

- Always check the stability of the rail and weights before taking your firearm to the range.
- Regularly inspect the rail and weights for signs of wear or damage during use.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste. Check for designated recycling centers for metal components.

## **Contact Information for Further Support**

For any questions or concerns regarding the Universal WeightTuneable ArcaLock Rail, please refer to the manufacturer's website or contact their customer support for assistance.
