

# ARCALOCK UNIVERSAL FLAT RAIL - AREA 419 10" UNIVERSAL ARCALOCK RAIL

[Rifle Parts](#) > [Forend & Handguard Parts](#) > [Handguard & Rail Accessories](#) > [Accessory Rails](#)

## Enhance Your Precision Shooting With an Improved ARCA Rail

An accessory that's growing popular among shooters in the precision world is the ARCA rail, a sliding handguard that allows users to mount bipods, barricade stops and other accessories on a sliding unit that allows for fast, easy adjustment. However, Area 419 saw an issue with this friction lock, noticing that the system can slide under pressure. The company's ARCALock Universal Flat Rail solves this issue while still providing the benefits of the ARCA mechanism. Each Area 419 ARCALock Universal Flat Rail features a proprietary clamp design that mechanically locks the serrated sides of the rail into place, and the unit is backwards-compatible with all standard ARCA-style accessories on the market. Each edge and corner on the unit is radiused, so there's no way to cut or snag on any side of the rail. The entire unit is machined from 6061-T6 aluminum and features a Type 3 hard-coat anodizing. Area 419 designers initially developed its ARCALock Universal Flat Rail with the Manners Composite Stock in mind, but the unit can be used with a range of stocks with an accessible front-action screw or front-attachment point.

## Attributes

- Name: [AREA 419 10" UNIVERSAL ARCALOCK RAIL](#)
- Manufacturer: [AREA 419](#)
- Product no.: 100044857
- Mfr. No.: 419-ALK-UNIV10R
- Attachment: -
- Length: 10
- Material: Aluminum
- Style: Quick Detach,M-LOK
- Type: Picatinny
- Weapon type: AR-15
- Delivery weight: 0.318kg
- Shipping height: 51mm
- Shipping width: 51mm
- Shipping length: 406mm
- UPC: 850002933536

# ARCALOCK UNIVERSAL FLAT RAIL SAFETY INSTRUCTION GUIDE

## Introduction

Thank you for choosing the ARCALOCK Universal Flat Rail by Area 419. This product is designed to enhance your shooting experience by providing a secure and adjustable mounting system for your accessories. To ensure safe and effective use, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always ensure that the ARCALOCK Universal Flat Rail is compatible with your firearm and accessories.
- Inspect the product for any damage or defects before installation and use.
- Keep the product out of reach of children and unauthorized users.
- Use the product only for its intended purpose and in accordance with the manufacturer's instructions.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform to stay informed about product safety.

## Specific Safety Precautions for Use

- Ensure that the rail is securely attached to your firearm before use.
- Avoid overtightening the clamp, as this may damage the rail or your firearm.
- Do not use the rail if it shows signs of wear, damage, or malfunction.
- Always handle firearms responsibly and in accordance with local laws and regulations.
- When adjusting accessories mounted on the rail, ensure that the firearm is pointed in a safe direction.
- Be cautious of sharp edges when handling the rail, as it may cause cuts or injuries.

## Instructions for Installation and Usage

### Installation

1. **Prepare the Firearm:** Ensure that your firearm is unloaded and pointed in a safe direction.
2. **Align the Rail:** Position the ARCALOCK Universal Flat Rail over the designated mounting area on your firearm.
3. **Secure the Clamp:**
  - Use the provided hardware to attach the rail securely.
  - Ensure that the serrated sides of the rail are locked into place by the proprietary clamp design.
4. **Check Compatibility:** Verify that all accessories you intend to use with the rail are compatible and securely attached.

### Usage

- To adjust accessories mounted on the rail, loosen the clamp slightly, reposition the accessory, and retighten the clamp to secure it in place.
- Always perform adjustments with the firearm pointed in a safe direction.

## Disposal Instructions

- Dispose of the ARCALOCK Universal Flat Rail in accordance with local regulations.
- If the product is damaged or no longer in use, consider recycling the aluminum material where possible.

## **Contact Information for Further Support**

For any questions or concerns regarding the ARCALOCK Universal Flat Rail, please refer to the manufacturer's contact details provided with the product packaging or on their official website.
