# Safety Instruction Guide for AR15 Ejection Port Cover Assembly

## Introduction

Thank you for choosing the AR15 Ejection Port Cover Assembly from Sons of Liberty Gun Works. This product is designed to enhance the functionality of your MilSpec AR15. To ensure safe and effective use, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Ensure that you are familiar with the operation of the AR15 platform before using this product.
- Always handle firearms with care and treat every firearm as if it is loaded.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the Ejection Port Cover Assembly for signs of wear or damage.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls via the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Do not attempt to modify the Ejection Port Cover Assembly in any way.
- Ensure that the assembly is properly installed before using your firearm.
- Always wear appropriate eye and ear protection when handling firearms.
- Be aware of your surroundings and ensure a safe shooting environment.
- Avoid using the firearm in adverse weather conditions that may affect its performance.

## Instructions for Installation and Usage

### 1. Installation:

- Gather all necessary tools and components included in the Ejection Port Cover Assembly package.
- Ensure that the firearm is unloaded and pointed in a safe direction.
- Remove the existing ejection port cover if applicable, following the manufacturer's instructions.
- Align the new Ejection Port Cover Assembly with the mounting points on the firearm.
- Secure the assembly in place using the provided screws or pins, ensuring a tight fit.
- Doublecheck the installation for stability and proper alignment.

### 2. Usage:

- Once installed, ensure that the Ejection Port Cover operates smoothly.
- Regularly check that the cover opens and closes without obstruction.
- Always maintain the firearm according to the manufacturer's guidelines to ensure optimal performance.

## Disposal Instructions

- Dispose of any packaging materials in accordance with local waste management regulations.
- If the product is damaged or no longer needed, dispose of it safely to prevent any potential hazards.
- Do not dispose of the product in fire, as it may create harmful emissions.

## **Contact Information for Further Support**

For any questions or concerns regarding the AR15 Ejection Port Cover Assembly, please refer to the manufacturer's website or contact a qualified firearms expert for assistance.

Thank you for your attention to these safety guidelines. Your safety and the safe operation of your firearm are our top priorities.
