# Safety Instruction Guide for AR15 Forward Assist Assembly

## Introduction

Thank you for choosing the AR15 Forward Assist Assembly from Sons of Liberty Gun Works. This product is designed for MilSpec AR15s and aims to enhance the reliability and functionality of your firearm. To ensure safe and effective use, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep firearms out of reach of children and unauthorized users.
- Ensure that you are in a safe environment when handling firearms.
- Always wear appropriate safety gear, including eye and ear protection, when using firearms.
- Familiarize yourself with local laws and regulations regarding firearm usage and ownership.
- Regularly inspect your firearm and its components for wear and damage.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that the Forward Assist Assembly is compatible with your specific AR15 model.
- Do not attempt to modify the Forward Assist Assembly or any other firearm components.
- Only use approved ammunition that is compatible with your firearm.
- Avoid using the firearm in wet or damp conditions unless it is specifically designed for such use.
- Be cautious of the firearm's muzzle direction at all times.
- Do not point the firearm at anything you do not intend to shoot.
- Ensure that the firearm is unloaded before performing any maintenance or installation.

## Instructions for Installation and Usage

### Installation

#### 1. Preparation

- Ensure that the firearm is completely unloaded.
- Gather necessary tools for installation (e.g., punches, hammer).
- Work in a clean and welllit area.

#### 2. Remove the Old Assembly

- Use the appropriate tools to carefully remove the existing Forward Assist Assembly from your AR15.
- Take care not to damage any surrounding components during removal.

#### 3. Install the New Forward Assist Assembly

- Align the new Forward Assist Assembly with the receiver of the AR15.
- Gently press the assembly into place.
- Use a punch and hammer to secure the assembly if necessary, ensuring that it is properly seated.

#### 4. Final Check

- Inspect the installation to ensure that the Forward Assist Assembly is firmly attached and functioning correctly.
- Perform a function check of the firearm to ensure proper operation.

## **Usage**

- Use the Forward Assist Assembly to manually chamber a round when necessary.
- Ensure that the firearm is pointed in a safe direction when using the Forward Assist.
- Regularly check the functionality of the Forward Assist Assembly during routine firearm maintenance.

## **Disposal Instructions**

- Dispose of any old or damaged firearm components in accordance with local regulations.
- Do not dispose of firearm components in regular household waste.
- Contact local authorities or designated disposal facilities for guidance on safe disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the AR15 Forward Assist Assembly, please refer to the appropriate EU-based contact point or manufacturer's website for assistance.

By following these safety instructions, you will help ensure a safe and enjoyable experience with your AR15 Forward Assist Assembly. Thank you for your attention to these important safety guidelines.
