# Safety Instruction Guide for AR15 CAM PIN SONS OF LIBERTY GUN WORKS

## Introduction

Thank you for choosing the AR15 Cam Pin from Sons of Liberty Gun Works. This guide is designed to provide you with essential safety instructions to ensure the safe use and handling of your product. Please read this guide thoroughly before installation and usage.

## General Safety Guidelines

- Ensure that the product is used only with MilSpec AR15s.
- Regularly inspect the cam pin for wear or damage before each use.
- Store the cam pin in a dry, secure location away from children and unauthorized users.
- Follow all local laws and regulations regarding firearm components and modifications.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Always ensure the firearm is unloaded before installation or maintenance.
- Use appropriate protective gear, such as safety glasses and gloves, during installation.
- Do not modify the cam pin in any way, as this may compromise safety and functionality.
- Keep the cam pin and associated components away from moisture to prevent corrosion.
- Do not use the cam pin if it shows signs of damage or excessive wear.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is completely unloaded.
- Gather necessary tools for installation, such as a punch and hammer.

### 2. Installation:

- Align the cam pin with the bolt carrier group.
- Insert the cam pin into the designated slot of the bolt carrier group.
- Use the punch to ensure the cam pin is properly seated.

### 3. Usage:

- Regularly check the cam pin during routine firearm maintenance.
- If any issues are detected, such as improper function or excessive wear, replace the cam pin immediately.

### 4. PostInstallation:

- After installation, perform a function check of the firearm to ensure all components are working correctly.
- Store the firearm in a safe and secure location when not in use.

## Disposal Instructions

- Dispose of any damaged or worn cam pins in accordance with local regulations.

- Do not dispose of the cam pin in regular household waste.
- Consider recycling options for metal components where applicable.
