AR15 Front Sight Detent Safety Instructions

Introduction

Thank you for choosing the AR15 Front Sight Detent from Sons of Liberty Gun Works. This guide provides important safety instructions and guidelines to ensure the safe use and installation of this product. Please read this document carefully before use.

General Safety Guidelines

- Ensure that the product is compatible with your AR15 model before installation.
- Always follow the manufacturer's instructions for installation and usage.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for wear or damage before each use.
- Report any unsafe conditions or incidents related to this product to the appropriate authorities.
- Stay informed about product recalls and safety updates through the EU Safety Gate platform.

Specific Safety Precautions for Use

- Use only with MilSpec AR15s to avoid compatibility issues.
- Do not attempt to modify or alter the product in any way.
- Ensure the firearm is unloaded before installing or handling the front sight detent.
- Wear appropriate eye protection when working with firearms.
- If unsure about installation, seek assistance from a qualified gunsmith.

Instructions for Installation and Usage

1. Preparation

- Gather the necessary tools: a punch tool and a hammer.
- Ensure your work area is clean and free from distractions.

2. Installation Steps

- Ensure the AR15 is unloaded and pointed in a safe direction.
- Remove the old front sight detent if applicable.
- Align the new Sons of Liberty Gun Works Front Sight Detent with the designated hole on the AR15.
- Gently tap the detent into place using the punch tool and hammer until it is secure.
- Ensure the detent is properly seated and functions correctly.

3. Usage

- After installation, verify that the front sight detent is secure before using the firearm.
- Regularly check the detent during routine firearm maintenance.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste.
- If the product is damaged or no longer in use, consider recycling it if possible.
