# AR15 A2 Flash Suppressor Safety Instruction Guide

## Introduction

Thank you for purchasing the AR15 A2 Flash Suppressor from Sons of Liberty Gun Works. This product is designed to enhance the performance of your firearm while ensuring safety during use. Please read this guide carefully to understand the safety measures, installation instructions, and proper usage of the product.

## General Safety Guidelines

- Always treat the firearm as if it is loaded.
- Ensure that the firearm is pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to shoot.
- Store the flash suppressor and firearm in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the flash suppressor for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm accessories and modifications.
- Ensure that you are trained and knowledgeable in the use of firearms before using this product.

## Specific Safety Precautions for Use

- Wear appropriate eye and ear protection when using the firearm equipped with the flash suppressor.
- Do not use the flash suppressor with ammunition that exceeds the specified caliber (22 Caliber / .223.224).
- Ensure that the flash suppressor is properly installed before firing the firearm.
- Avoid using the flash suppressor in conditions that may cause it to overheat, such as rapid firing without breaks.
- Be aware of your surroundings and ensure that the area is safe for shooting before use.

## Instructions for Installation and Usage

### Installation Instructions

1. **Safety First:** Ensure the firearm is unloaded and pointed in a safe direction.
2. **Remove Existing Flash Hider:** If applicable, use the appropriate tools to remove the existing flash hider from your AR15.
3. **Clean the Threads:** Inspect and clean the threads on the muzzle of the firearm to ensure a proper fit.
4. **Install the Flash Suppressor:**
  - Align the flash suppressor with the threads on the muzzle.
  - Handtighten the flash suppressor onto the muzzle.
  - Use a wrench to securely tighten the flash suppressor, ensuring it is aligned correctly.
5. **Check for Secure Fit:** Ensure the flash suppressor is firmly attached and does not wobble.

### Usage Instructions

- Before firing, doublecheck that the flash suppressor is securely attached.
- Load the firearm with the appropriate ammunition (22 Caliber / .223.224).
- Fire the firearm in a safe and controlled environment.
- After use, clean the flash suppressor as part of your regular firearm maintenance.

## Disposal Instructions

- Dispose of the flash suppressor according to local regulations.
- Do not dispose of the product in regular household waste.
- If the product is damaged or no longer usable, consult your local waste management facility for proper disposal methods.

## Contact Information for Further Support

For any safety inquiries or additional support regarding the AR15 A2 Flash Suppressor, please refer to the manufacturer's contact information included with your product packaging or visit the manufacturer's website.

Thank you for prioritizing safety. By following these guidelines, you can help ensure a safe and enjoyable experience with your AR15 A2 Flash Suppressor.
