# AR15 A2 Flash Suppressor Safety Instruction Guide

## Introduction

Thank you for choosing the AR15 A2 Flash Suppressor by Sons of Liberty Gun Works. This product is designed for use on MilSpec AR15 rifles and is made from durable steel with a black finish. It is crucial to follow the safety guidelines and instructions provided in this manual to ensure safe and effective use of the flash suppressor.

## General Safety Guidelines

- Ensure the flash suppressor is compatible with your firearm before installation.
- Always handle firearms with care and follow the manufacturer's safety guidelines.
- Keep the flash suppressor and all firearm accessories out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about any product recalls or safety updates via the EU Safety Gate platform.

## Specific Safety Precautions for Use

- Do not attempt to modify the flash suppressor in any way, as this may compromise safety and performance.
- Always wear appropriate eye and ear protection when firing your firearm.
- Ensure that the firearm is unloaded before attempting to install or remove the flash suppressor.
- Be aware of your surroundings and ensure that you are in a safe environment when using your firearm.
- If you experience any malfunctions or unusual behavior from your firearm while using the flash suppressor, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the firearm is completely unloaded.
- Clean the muzzle of the barrel to remove any debris or fouling.
- Align the threads of the flash suppressor with the muzzle of the firearm.
- Handtighten the flash suppressor onto the muzzle until secure.
- Use a wrench to tighten the flash suppressor further, ensuring it is secure but not overtightened.

### 2. Usage:

- After installation, check that the flash suppressor is properly secured before firing.
- Follow the manufacturer's instructions for your specific AR15 model regarding operation and maintenance.
- Regularly inspect the flash suppressor for signs of wear or damage, and replace it if necessary.

## Disposal Instructions

- Dispose of the flash suppressor in accordance with local regulations for metal waste.
- Do not dispose of the flash suppressor in regular trash. Instead, check for local recycling programs that accept metal firearm accessories.
- Ensure that the flash suppressor is rendered unusable before disposal to prevent misuse.

## **Contact Information for Further Support**

For any questions or concerns regarding the AR15 A2 Flash Suppressor, please refer to the manufacturer's website or customer support for assistance. Always ensure you have the latest information regarding the product and any safety updates.

Thank you for prioritizing safety while using the AR15 A2 Flash Suppressor. Your compliance with these guidelines will help ensure a safe and enjoyable shooting experience.
