# Safety Instruction Guide for EXACTFIT EJECTORS

## Introduction

Thank you for choosing the Harrison Design ExactFit Ejector for your 1911 Government model. This guide provides essential safety information and instructions to ensure the safe use and installation of your ejector. Please read this guide carefully before use.

## General Safety Guidelines

- Ensure that the ejector is installed by a qualified gunsmith to avoid any potential hazards.
- Always handle firearms with care and treat them as if they are loaded.
- Store the ejector and firearm in a secure location, away from children and unauthorized users.
- Regularly inspect the ejector and related components for wear or damage.
- Follow all local laws and regulations regarding firearm modifications and safety.

## Specific Safety Precautions for Use

- Do not use the ejector if it shows signs of damage or excessive wear.
- Always wear appropriate safety gear, such as eye protection, when handling firearms.
- Ensure that the firearm is unloaded before installing or removing the ejector.
- Use only compatible components when installing the ejector to prevent malfunction.
- Be aware of your surroundings and ensure a safe environment when using the firearm.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure you have the necessary tools and a clean workspace.
- Gather your 1911 Government model and the Harrison Design ExactFit Ejector.

### 2. Installation Steps

- Unload the firearm and remove the magazine.
- Disassemble the firearm according to the manufacturer's instructions.
- Locate the ejector slot on the frame of the firearm.
- Insert the Harrison Design ExactFit Ejector into the ejector slot, ensuring proper alignment.
- Secure the ejector using the appropriate screws or pins as specified by the manufacturer.
- Reassemble the firearm, ensuring all components are correctly fitted.

### 3. PostInstallation Check

- After installation, perform a function check to ensure the ejector operates correctly.
- If you encounter any issues, consult a qualified gunsmith for assistance.

## Disposal Instructions

- Dispose of any damaged or worn ejectors in accordance with local laws and regulations.
- Do not throw ejectors in regular trash. Consider contacting local authorities for proper disposal methods.

## Contact Information for Further Support

For any safety inquiries or concerns regarding the Harrison Design ExactFit Ejector, please consult with a qualified gunsmith or contact the manufacturer directly. Ensure that you have your product details ready to

facilitate assistance.

## **Conclusion**

Following these safety instructions will help ensure a safe and effective experience with your Harrison Design ExactFit Ejector. Always prioritize safety and seek professional assistance when needed. Thank you for your attention to these important safety guidelines.
