# EXACTFIT EJECTORS Safety Instruction Guide

## Introduction

Thank you for choosing the EXACTFIT EJECTORS by Harrison Design & Consulting. This guide provides important safety instructions and guidelines to ensure the safe use of your product. Please read this document thoroughly before installation and use.

## General Safety Guidelines

- Always handle the ejector with care and follow all safety precautions.
- Ensure that the ejector is suitable for your specific firearm model and caliber.
- Regularly inspect the ejector for any signs of wear or damage.
- Keep the ejector out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about recall updates through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Use the ejector only with compatible 1911 caliber firearms, including Commander models.
- Ensure that the firearm is unloaded before installing or inspecting the ejector.
- Do not modify the ejector in any way, as this may compromise its safety and effectiveness.
- Always wear appropriate safety gear, including eye protection, when handling firearms.
- Be aware of your surroundings and ensure you are in a safe environment when using your firearm.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure that your workspace is clean and welllit.
- Gather all necessary tools for installation, including a fitting tool.

### 2. Installation

- Ensure the firearm is unloaded.
- Remove the existing ejector from the firearm, if applicable.
- Align the new EXACTFIT EJECTOR with the fitting pads on the rear side of the slide.
- Securely attach the ejector using the appropriate screws, ensuring it is fitted snugly without excessive force.

### 3. Usage

- Test the ejector by cycling the firearm to ensure proper function.
- Monitor the ejector during use for any signs of malfunction or wear.
- If any issues arise, cease use immediately and consult a qualified gunsmith.

## Disposal Instructions

- Dispose of any old or damaged ejectors according to local regulations for hazardous waste.
- Do not dispose of ejectors in regular household waste.
- Contact your local waste management authority for proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or further assistance, please reach out to the designated EU contact point associated with this product. Ensure you have the product information readily available for a more efficient response.

Thank you for following these safety instructions. Your adherence to these guidelines helps ensure a safe and enjoyable experience with your EXACTFIT EJECTORS.
