Safety Instruction Guide for EXACTFIT EJECTOR

HARRISON DESIGN & CONSULTING

Introduction

Thank you for choosing the Harrison Design ExactFit Ejector. This product is designed for use with 1911 caliber firearms, providing maximum durability and reliability. Please read this safety instruction guide carefully to ensure safe usage and compliance with EU safety regulations.

General Safety Guidelines

- Ensure that the ejector is installed by a qualified gunsmith to avoid potential hazards.
- Always handle firearms with care and treat them as if they are loaded.
- Keep the ejector and all firearm components out of the reach of children and unauthorized users.
- Regularly inspect the ejector for wear or damage before use.
- Follow all local laws and regulations regarding firearm modifications and safety.

Specific Safety Precautions for Use

- Verify that the ejector is compatible with your specific 1911 model before installation.
- Do not attempt to use the ejector if it shows signs of damage or excessive wear.
- Avoid using the ejector with ammunition that exceeds the specified caliber (9 mm).
- Always wear appropriate safety gear, including eye protection, when handling firearms.
- In case of a malfunction, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the firearm is unloaded and the magazine is removed.
- Gather necessary tools, including a gunsmithing screwdriver and any other required equipment.

2. Installation:

- Remove the existing ejector from the firearm if applicable.
- Align the Harrison Design ExactFit Ejector with the fitting pads facing the rear of the slide.
- Securely fasten the ejector using the appropriate screws, ensuring that it is installed at the correct height for minimum clearance.
- Doublecheck that the ejector is firmly in place before reassembling the firearm.

3. Usage:

- After installation, conduct a function check to ensure that the ejector operates correctly with the firearm.
- Test the ejector with the appropriate 9 mm ammunition to verify that it ejects casings reliably.

Disposal Instructions

- Dispose of any defective or damaged ejectors in accordance with local regulations.
- Do not throw the ejector in regular household waste. Instead, contact your local waste management authority for proper disposal methods.

Contact Information for Further Support

For any inquiries or concerns regarding the safety and usage of the Harrison Design ExactFit Ejector, please refer to the contact information provided by the retailer or manufacturer.

Conclusion

By following these safety instructions, you can ensure a safe and effective experience with your Harrison Design ExactFit Ejector. Always prioritize safety and compliance with local laws when handling firearms. Thank you for your attention to these important guidelines.
