EXACTFIT EJECTORS Safety Instructions

Introduction

Thank you for choosing the Harrison Design ExactFit Ejector. This product is designed to provide optimal performance and durability for your 1911 caliber firearm. To ensure safe and effective use, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always handle firearms with care and follow all safety protocols.
- Ensure that the ejector is compatible with your firearm model before installation.
- Keep the ejector and all firearm components away from children and unauthorized users.
- Regularly inspect the ejector for wear or damage. Do not use if damaged.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Ensure the firearm is unloaded before installing or adjusting the ejector.
- Wear safety glasses when handling or working on firearms to protect your eyes.
- Use appropriate tools and follow the manufacturer's guidelines during installation.
- Do not modify the ejector or any firearm components unless you are a qualified gunsmith.
- Be aware of the specific caliber requirements and ensure proper fit to avoid malfunctions.

Instructions for Installation and Usage

1. Preparation:

- Ensure your workspace is clean and welllit.
- Gather all necessary tools and materials.

2. Installation:

- Unload your firearm completely.
- Remove the slide from the frame according to your firearm's manual.
- Locate the ejector installation area on the slide.
- Align the fitting pads of the ExactFit Ejector with the corresponding area on the slide.
- Securely fasten the ejector using appropriate screws or fasteners provided.
- Ensure that the ejector is seated properly and that there is a minimum clearance fit to the rear of the slide.

3. Usage:

- After installation, reassemble your firearm according to the manufacturer's instructions.
- Conduct a function check to ensure the ejector operates correctly.
- Always be aware of your surroundings and follow safe handling practices when using your firearm.

Disposal Instructions

- Dispose of the ejector and any packaging materials in accordance with local regulations.
- Do not dispose of firearms or firearm components in regular household waste.
- Contact your local waste management authority for proper disposal methods.

Contact Information for Further Support
