Safety Instruction Guide for EXACTFIT EJECTORS

Introduction

Thank you for choosing the Harrison Design ExactFit Ejector. This product is designed to provide gunsmiths with a highquality ejector for 1911 caliber firearms. The following safety instructions are essential for the safe use and installation of this product. Please read this guide carefully before use.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always handle firearms with care and follow all safety protocols.
- Keep the ejector and all firearm components out of reach of children and unauthorized users.
- Regularly inspect the ejector for wear and damage.
- Report any unsafe products or incidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, such as eye protection, when handling firearms.
- Ensure that the firearm is unloaded before installing or adjusting the ejector.
- Do not attempt to modify the ejector or any firearm components beyond the manufacturer's specifications.
- Be aware of your surroundings and ensure that the area is safe before testing the firearm after installation.
- If you are inexperienced with firearm maintenance, seek assistance from a qualified gunsmith.

Instructions for Installation and Usage

Installation Instructions

1. Ensure that the firearm is unloaded and pointed in a safe direction.
2. Remove the slide from the frame of the firearm according to the manufacturer's instructions.
3. Locate the ejector mounting area on the slide.
4. Align the Harrison Design ExactFit Ejector with the fitting pads facing the rear side of the slide.
5. Secure the ejector using the appropriate screws or pins, ensuring a snug fit.
6. Reassemble the firearm according to the manufacturer's instructions.

Usage Instructions

- After installation, perform a function check to ensure the ejector operates correctly.
- Test the firearm in a controlled environment to confirm proper ejection of cartridges.
- Always follow standard operating procedures for the specific firearm model when using the ejector.

Disposal Instructions

- Dispose of the ejector and any associated components in accordance with local regulations.
- Do not throw away in regular household waste.
- Contact local waste management for guidance on proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the Harrison Design ExactFit Ejector, please refer to the manufacturer's contact information provided with the product. Ensure that you have the product details ready for efficient

assistance.

By following these safety instructions, you can ensure the safe and effective use of the Harrison Design ExactFit Ejector. Thank you for your attention to these important safety guidelines.
