

EDGEBA^G MINIGATER WITH GRAB HANDLE - EDGEWOOD SHOOTING BAGS EDGEBA^G MINIGATER W/GRAB HANDLE STD 3-1/2"H 3/4" SPRD SLK

[Shooting Accessories](#) > [Shooting Rests](#) > [Bench Rest Bags](#)

The Minigater features a larger base than the Original approximately 6" x 10". When filled with heavy sand, it weighs in somewhere between 13 and 16 lbs. A much longer earbase is stitched to the top of the Mini for smoother tracking, especially when shooting free recoil. The same reinforced sides and donut base are used in this bag as in the Original. EDGE model includes the following upgrades: Extra rigid, super flat bag base made with a unique material resists deformation over time ""Overlay Ears"" - Whether you choose slick material or cordura, a durable layer of leather is added underneath the material which contributes to consistency in shape and performance as well as extreme longevity and resistance to wear. Flatter ear space means the riding surface at the base of the ears has been redesigned to practically eliminate inconsistencies in the transition between the riding surface and the ear base. This remedies any potential drag or grabbing and increases longevity by removing an inherent wear point. Reinforced ear base isolates the ear set from the shape of the bag, contributing to consistency in the contact surface and ear spread. Embroidered cordura tops showcase our brand new logo and highlight the evolution of our designs.

Safety Instruction Guide for EDGEBAg MINIGATER WITH GRAB HANDLE

Introduction

Thank you for choosing the EDGEBAg MINIGATER WITH GRAB HANDLE from Edgewood Shooting Bags. This guide provides important safety instructions and guidelines to ensure the safe use of this product. Please read this document carefully before using the product.

General Safety Guidelines

- Ensure that the product is used for its intended purpose only.
- Always inspect the bag for any signs of wear or damage before use.
- Keep the bag out of reach of children and vulnerable individuals.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform regularly.

Specific Safety Precautions for Use

- Use the bag only on stable and level surfaces to prevent accidents.
- Avoid overfilling the bag; adhere to the recommended weight of 13 to 16 lbs when filled with sand.
- Do not use the bag if the stitching or material appears damaged.
- Maintain a safe distance from others while using the bag to avoid injury.
- Ensure that the earbase is properly positioned to prevent slipping during use.

Instructions for Installation and Usage

• Filling the Bag:

1. Open the filling port located on the bag.
2. Fill the bag with heavy sand, ensuring it does not exceed the recommended weight.
3. Close the filling port securely after filling.

• Using the Bag:

1. Place the bag on a stable surface.
2. Adjust the earbase for optimal positioning.
3. Ensure the bag is stable before placing any equipment on it.
4. Use the grab handle for easy portability when moving the bag.

• Cleaning and Maintenance:

- Wipe the surface of the bag with a damp cloth to remove dirt.
- Avoid using harsh chemicals that may damage the material.
- Store the bag in a dry place when not in use to prevent moisture damage.

Disposal Instructions

- Dispose of the bag in accordance with local regulations.
- If the bag is no longer usable, consider recycling the materials if possible.
- Do not incinerate the bag as it may release harmful substances.

Contact Information for Further Support

For any inquiries regarding safety or product issues, please contact the manufacturer directly. Ensure that you have the product details available for reference.

Thank you for your attention to these safety guidelines. Enjoy your EDGEBA^G MINIGATER WITH GRAB HANDLE responsibly and safely.
