

# **EDGEBA~~G~~ MINIGATER WITH GRAB HANDLE - EDGEWOOD SHOOTING BAGS EDGEBA~~G~~ MINIGATER W/GRAB HANDLE TALL 4"H 3/4" SPREAD BLK**

[Shooting Accessories](#) > [Shooting Rests](#) > [Bench Rest Bags](#)

The Minigater features a larger base than the Original approximately 6" x 10". When filled with heavy sand, it weighs in somewhere between 13 and 16 lbs. A much longer earbase is stitched to the top of the Mini for smoother tracking, especially when shooting free recoil. The same reinforced sides and donut base are used in this bag as in the Original. EDGE model includes the following upgrades: Extra rigid, super flat bag base made with a unique material resists deformation over time ""Overlay Ears"" - Whether you choose slick material or cordura, a durable layer of leather is added underneath the material which contributes to consistency in shape and performance as well as extreme longevity and resistance to wear. Flatter ear space means the riding surface at the base of the ears has been redesigned to practically eliminate inconsistencies in the transition between the riding surface and the ear base. This remedies any potential drag or grabbing and increases longevity by removing an inherent wear point. Reinforced ear base isolates the ear set from the shape of the bag, contributing to consistency in the contact surface and ear spread. Embroidered cordura tops showcase our brand new logo and highlight the evolution of our designs.

# Safety Instruction Guide for EDGEBAg MINIGATER WITH GRAB HANDLE

## Introduction

Thank you for choosing the EDGEBAg MINIGATER WITH GRAB HANDLE. This guide provides important safety information and instructions for the proper use of this product. Please read this document carefully to ensure safe and effective use.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as a shooting bag.
- Always inspect the bag before use for any signs of wear or damage.
- Keep the bag out of reach of children and pets when not in use.
- Do not use the bag if it appears to be damaged or has any defects.
- Store the bag in a cool, dry place away from direct sunlight to prevent material degradation.

## Specific Safety Precautions for Use

- Always use the bag on a stable and flat surface to prevent tipping or sliding during use.
- When filling the bag with sand, ensure that the sand is dry and free of debris to maintain weight and stability.
- Avoid overfilling the bag, as this may lead to deformation or damage.
- Use the bag in a wellventilated area to avoid inhalation of any dust or particles that may escape from the bag.
- Follow all local laws and regulations regarding the use of shooting bags and related equipment.

## Instructions for Installation and Usage

### • Filling the Bag:

- Open the filling port carefully.
- Fill the bag with heavy sand until it reaches the desired weight (between 13 and 16 lbs).
- Ensure that the filling is even to maintain the bag's shape.
- Close the filling port securely after filling.

### • Using the Bag:

- Place the bag on a stable surface.
- Adjust the positioning of the bag to ensure a comfortable shooting angle.
- Use the grab handle for easy transport and positioning.
- When finished using the bag, remove it from the shooting area and store it properly.

## Disposal Instructions

- Dispose of the bag in accordance with local regulations.
- If the bag is damaged beyond repair, consider recycling the materials where possible.
- Do not dispose of the bag in regular household waste if it contains hazardous materials.

## Contact Information for Further Support

For any questions or concerns regarding the safety and use of the EDGEBAg MINIGATER WITH GRAB HANDLE,

please refer to the manufacturer's contact information provided with the product packaging.

Thank you for your attention to these safety instructions. Enjoy your experience with the EDGEBAg MINIGATER!
